Trinity of Coaching AEI Press

Focusing on the Constitution and how it was tested during the Civil War, this review also explores industrialization of the United States, the Great Depression, the New Deal, the Cold War, and the state of the nation through the end of the Clinton administration.

Good Time Girls of the Alaska-Yukon Gold Rush University of Westminster Press

If movies and books like *Belle*, *Twelve Years a Slave*, *The Butler*, *The Help*, *A Time to Kill*, and *Amistad* have moved you, you'll love *A Complicated Legacy*, a novel by Baltimore writer Robert H. Stucky based on the true story of Elijah Willis, a white South Carolina planter, and Amy- the love of his life, the mother of his

children, and his slave. Taking place in the decade leading up to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later.

Random Acts of Writing Forgotten Books

This volume captures the innovative, theory-based, and grounded work being done by established scholars who are interrogating how teacher education can prepare teachers to work in challenging and diverse high-poverty settings. It offers articles from the US, Australia, Canada, the UK and Chile by some of the most significant scholars in the field. Internationally, research suggests that effective teachers for high poverty schools require deep theoretical understanding as well as the capacity to function across three well-substantiated areas: deep content knowledge, well-tuned pedagogical skills, and demonstrated attributes that prove their understanding and commitment to social justice. Schools in low socioeconomic communities need quality teachers most, however, they are often staffed by the least experienced and least prepared teachers. The chapters in this volume examine how pre-service teachers are taught to understand the social contexts of education. Drawing on the individual expertise of the authors, the topics covered include unpacking poverty for pre-service teachers, issues related to urban schooling as well as remote and regional area schooling.

If Teapots Could Talk Barrons Educational Series

“ The education wars have been demoralizing for teachers. . . . After the Education Wars helps us to see a better way forward. ” —Cathy N. Davidson, *The New York Times Book Review* “ After the Education Wars is an important book that points the way to genuine reform. ” —Diane Ravitch, author of *Reign of Error* and *The Death and Life of the Great American School System* A bestselling business journalist critiques the top-down approach of popular education reforms and profiles the unexpected success of schools embracing a nimbler, more democratic entrepreneurialism In an entirely fresh take on school reform, business journalist and bestselling author Andrea Gabor argues that Bill Gates, Eli Broad, and other leaders of the prevailing education-reform movement have borrowed all the wrong lessons from the business world.

After the Education Wars explains how the market-based measures and carrot-and-stick incentives informing today ' s reforms are out of sync with the nurturing culture that good schools foster and—contrary to popular belief—at odds with the best practices of thriving twenty-first-century companies as well. These rich, detailed stories of real reform in action illustrate how enduring change must be deeply collaborative and relentlessly focused on improvement from the grass roots up—lessons also learned from both the open-source software and quality movements. The good news is that solutions born of this philosophy are all around us: from Brockton, Massachusetts, where the state ' s once-failing largest high school now sends most graduates to college, to Leander, Texas, a large district where school improvement, spurred by the ideas of quality guru W. Edwards Deming, has become a way of life. A welcome exception to the doom-and-gloom canon of education reform, *After the Education Wars* makes clear that what ' s needed is not more grand ideas, but practical and informed ways to grow the best ones that are already transforming schools.

Military Review Blue Sage Press

The 1960s, including the black social movements of the period, are an obstacle to understanding the current conditions of African Americans, argues Clarence Lang. While Americans celebrate the current anniversaries of various black freedom milestones and the election of the first black president, the effects of neoliberalism since the 1970s have been particularly devastating to African Americans. Neoliberalism, which rejects social welfare protections in favor of individual liberty, unfettered markets, and a laissez-faire national state, has produced an environment in which people of color struggle with unstable employment, declining family income, rising household debt, increased class stratification, and heightened racial terrorism and imprisonment. The book argues that a reassessment of the Sixties and its legacies is necessary to make better sense of black community, leadership, politics,

and the prospects for social change today. Combining interdisciplinary scholarship, political reportage, and personal reflection, this work sheds powerful light on the forces underlying the stark social and economic circumstances facing African Americans today, as well as the need for cautious optimism alongside sober analysis.

Becoming Taz CQ Press

It's the seventh ridiculous day of August, 1971. A drought has besieged Red Clover, South Carolina and the heart of seventeen-year-old Karlene Bridges. Her big sister, Gloria Jean, is pregnant, and everyone carries on as if she were incubating the Light of this World-but Karlene feels hysterical at becoming an aunt at such a young age. Billy Ray Jenkins, former heartthrob, joined the United States Navy six months ago, and Karlene has been incommunicado ever since.

To soothe her jangled nerves, she has taken up songwriting-and she is terrible at it-truly terrible. And now, Spencer, her songwriting buddy, might get drafted and end up in Vietnam, sloshing around in rice paddies, which agonizes Karlene because she knows that peace of any kind is unobtainable on this whirling blue planet. Through the eyes of its sharp-witted, big-hearted protagonist, Luddy weaves an intimate love story about a young woman who dives into the deep end of her own life and attempts to solve the riddle of Life itself with grace and aplomb.

Calendars of the United States House of Representatives and History of Legislation Simon and Schuster

Homecomings usually involve burgers, fries and apple pies but that's not on the menu for Cassandra and Silver. They're launched into assassination attempts, bar brawls, and relationship drama just in the first 24 hours. Can they protect everyone they love from all comers before it explodes in their face? Find out in VECTOR, Book Three of the Weaver

Series.

Let's Review Regents: U.S. History and Government Revised Edition Simon and Schuster

The story of the (now restored) Regent Street Cinema is the fourth volume exploring the University of Westminster's long and diverse history. U.S. History and Government Power Pack Routledge
iDisrupted changing the human race forever
Technology is set to transform the world. Its likely impact is both terrifying and incredibly exciting. We all need to understand the great changes that are just beginning to re-shape the human domain and our daily lives. Then we need to draw up plans. There are few challenges more important. This book is for: People who want a job in ten years' time. Employers who want to hire the right talent for the future. Students of business and business professionals who want to understand how technology will transform the commercial world. Business leaders and shareholders who want the business they run or own to flourish, and not get swept away. Investors endeavouring to understand the possible impact of new technology and to place the right bets. Policy makers needing to understand the potentially devastating impact of tech-economics and tech-politics to make the right decision for their country. And above all, those of us who care about the future of the human race. Technologies to watch: Robotics, internet of things, technologies for the promotion of a sharing economy, artificial intelligence, 3D printing, stem cell research, genome sequencing, energy storage, lasers, solar power, new materials, virtual reality, nanotechnology, brain interfaces to computers, and above all else the internet, mixed with computers following the evolutionary trajectory described by Moore's Law.

The November issue is the special annual review of the U.S. Supreme Court's previous Term. Each year, the issue is introduced by noteworthy and extensive contributions from recognized scholars. In this issue, for the 2013 Term, articles include: • Foreword: "The Means of Constitutional Power," by John F. Manning • Comment: "Slipping the Bonds of Federalism," by Heather K. Gerken • Comment: "The Supreme Court as a Constitutional Court," by Jamal Greene • Comment: "The Hobby Lobby Moment," by Paul Horwitz In addition, the first issue of each new volume provides an extensive summary of the important cases of the previous Supreme Court docket, covering a wide range of legal, political and constitutional subjects. Student commentary on Leading Cases of the 2013 Term includes recent cases on: content neutrality under the First Amendment; compelled subsidized speech; free speech and contribution limits; legislative prayer and the establishment of religion; search and seizure law as to anonymous tips, cellphones, and cotenant consent; equal protection and political process; right to counsel; Eighth Amendment issues for intellectually impaired defendants; standing and jurisdiction; class actions; tribal immunity; the Clean Air Act; immigration of children; misrepresentation of buyer and gun control law; and copyright law's Transmit Clause. Complete statistical graphs and tables of the Court's actions and results during the Term are included. Finally, the issue features several summaries of Recent Publications. The issue also features essays on substantive and procedural law, and judicial method, honoring Justice Stephen G. Breyer and his notable contributions to law and the Supreme Court. The essays are written by scholars Martha Minow, Martha Field, Cass Sunstein, Richard Fallon, Michael Klarman, Todd Rakoff, Joseph Singer, John Manning, Laurence Tribe, I. Glenn Cohen, and Mark Tushnet. The Harvard Law Review is offered in a quality digital edition, featuring active Contents,

linked footnotes, active URLs, legible tables, and proper ebook and Bluebook formatting. This current issue of the Review is November 2014, the first issue of academic year 2014-2015 (Volume 128).

Vector Quid Pro Books

The Afrocentric Praxis of Teaching for Freedom explains and illustrates how an African worldview, as a platform for culture-based teaching and learning, helps educators to retrieve African heritage and cultural knowledge which have been historically discounted and decoupled from teaching and learning. The book has three objectives: To exemplify how each of the emancipatory pedagogies it delineates and demonstrates is supported by African worldview concepts and parallel knowledge, general understandings, values, and claims that are produced by that worldview To make African Diasporan cultural connections visible in the curriculum through numerous examples of cultural continuities — — seen in the actions of Diasporan groups and individuals — — that consistently exhibit an African worldview or cultural framework To provide teachers with content drawn from Africa ' s legacy to humanity as a model for locating all students — — and the cultures and groups they represent — — as subjects in the curriculum and pedagogy of schooling This book expands the Afrocentric praxis presented in the authors ' "Remembering" History in Teacher and Student Learning by combining "re-membered" (democratized) historical content with emancipatory pedagogies that are connected to an African cultural platform.

Regents U.S. History and Government Power Pack Revised Edition Wipf and Stock Publishers Joseph Tiritilli, aka Joey Jet, exemplifies the success possible in America today by using ambition, a willingness to take risk, and a strong work ethic to make the most of available opportunities. Joey Jet came up the hard way in Totowa, New Jersey; fifteen miles from Manhattan, the heart of New York City. His grandfather a blacksmith in a Pennsylvania coal mine; his father an honest, hard working truck driver; and his mother a professional switchboard operator,

Joey left school at sixteen. He became a three time small business owner/operator, soloed at Lincoln Park, New Jersey N07, and became a private pilot by age twenty-five. Moving to Deerfield Beach, Florida, Joey Jet continued learning to fly at Pompano Beach Airpark's Pompano Air Center, earning his Commercial Airplane license and becoming a Certified Flight Instructor under the tutelage of R. Dan Baker. Joey learned to fly Learjets when he was hired by Harvey N. Hop at Fort Lauderdale's Hop-A-Jet, Inc. Joey Jet has been a Learjet Captain flying the rich and famous throughout the United States, Canada, Mexico and the Caribbean for more than twenty-five years. Fasten your seatbelt and enjoy this compilation of stories from some of Joey Jet's most memorable flights. Stories include James Patterson, Roger King, Puff Daddy Imposter, James Lovell, Billy Joel, Enrique, Paris Hilton, Suze Orman, John Schnatter - Papa John's Pizza, Jackie Mason, Denzel Washington, Paulina Porizkova, Diana Ross, Shakira, Henryk de Kwiatkowski, Lee Greenwood, Elie Wiesel, Preston Henn, Patrick Park, Robert Redford, Don Whittington, Dear Abby, General H. Norman Schwarzkopf, Shane Sellers, Gary Player, Ted Williams, Dick Vitale, Joe Namath, Emerson Fittipaldi, Don King, James Stewart Jr., Mike Ditka, Pat Riley, Joe Amato, Jeb Bush, Governor Jim Geringer, Governor Bill Richardson, Senator John Edwards, plus some other stories.

Criminal Psychology Simon and Schuster Morgan offers an authentic and deliciously humorous account of the prostitutes and other "disreputable" women who were the earliest female pioneers of the Far North.

Distant Valor Barron's Educational Series Excerpt from The Shame of the Cities This is not a book. It is a collection of articles reprinted from McClure's Magazine. Done as journalism, they are journalism still, and no further pretensions are set up for them in their new dress. This classi Transforming Biomedical Informatics and Health Information Access Createspace Independent Publishing Platform

America has provided a platform for countless migrant peoples who have, in turn, contributed to the nation's landscape as a multicultural land of opportunity. Still, the waves of assimilation can obscure the distinctive customs and beliefs of immigrants, many feeling coerced to conform to American attitudes towards race, the economy, and politics. Others, inundated with American media, consumerism, and secularity, have forgotten those aspects about their family heritage that make them unique. Drawing from Palma's background as an Italian American evangelical, Embracing Our Roots considers the significance of rediscovering our ancestral history in a society where many are forced to repress, ignore, or reject their heritage. A nation of immigrants, every American is, in some sense, an "ethnic" American and stands to gain from considering how the people and places they come from make them unique. In addition to using genealogy databases and social networks, Palma maintains

the rich value of thumbing through the family archives, hearty conversations with loved ones, and building one's family tree. This book is for scholars and laypersons alike with interest in the themes of biblical living, faith-based traditions, food culture, immigration, social class, race, family dynamics, and mental health.

After the Education Wars The New Press

In Texas, myth often clashes with the reality of everyday governance. The Nacogdoches author team (Ken Collier, Steven Galatas, & Julie Harrelson-Stephens) of *Lone Star Politics* explores the state's rich political tradition and explains who gets what, and how by setting Texas in context with other states' constitutions, policymaking, electoral practices, and institutions. Critical thinking questions and unvarnished "Winners and Losers" discussions guide students toward understanding Texas government. This Fifth Edition expands its coverage of civil rights in the state, and includes the contemporary issues that highlight the push and pull between federal, state, and local governments.

[The Beach Fairy](#) Simon and Schuster

The Incredible True Story of Two Girls in the Seventeen-Hundreds Who Become the Powers Behind the Thrones of the World's Greatest Empires
The fulfillment of an outrageous prediction seals the fates of two cousins in this true story that begins on a Caribbean sugar plantation and careens wildly towards the thrones of two empires. Innocent Aimée refuses to believe she might ever have to face the intrigue and evil that lurks beneath the exotic beauty and opulence of the Ottoman Empire. Rose mistakenly believes that her marriage to an aristocratic French lieutenant will insure her place in Parisian society. Both will be proven wrong. This first book in Zia Wesley's *The Veil and the Crown* series tells the beginning of the extraordinary true story of Aimée Dubucq de Rivery and her cousin, Rose Tascher de La Pagerie...both destined to be queens.
Publisher's Note: This is an extraordinarily well-researched novel that is true to the period. As such, there is explicit sexual and violent content that, while typical to the era, is most appropriate for adult

readers. *The Veil and the Crown*, in series order: *The Stolen Girl* *The French Sultana* "I lingered over and savored the vivid descriptions and found it absorbing, historically interesting, well researched and constantly enticing. It was as if Zia took me by the hand and we followed the heroine through all her adventures. Scheherazade, eat your heart out!" - Lorain Fox Davis, Grammy winner and educator
