[Great Soul](#) Oxford University Press

More than half a century after his death, Mahatma Gandhi continues to inspire millions throughout the world. Yet modern India, most strikingly in its decision to join the nuclear arms race, seems to have abandoned much of his nonviolent vision. Inspired by recent events in India, Stanley Wolpert offers this subtle and profound biography of India's "Great Soul." Wolpert compellingly chronicles the life of Mahatma Gandhi from his early days as a child of privilege to his humble rise to power and his assassination at the hands of a man of his own faith. This trajectory, like that of Christ, was the result of Gandhi's passion: his conscious courting of suffering as the means to reach divine truth. From his early campaigns to stop discrimination in South Africa to his leadership of a people's revolution to end the British imperial domination of India, Gandhi emerges as a man of inner conflicts obscured by his political genius and moral vision. Influenced early on by nonviolent teachings in Hinduism, Jainism, Christianity, and Buddhism, he came to insist on the primacy of love for one's adversary in any conflict as the invincible power for change. His unyielding opposition to intolerance and oppression would inspire India like no leader since the Buddha—creating a legacy that would encourage Martin Luther King, Jr., Nelson Mandela, and other global leaders to demand a better world through peaceful civil disobedience. By boldly considering Gandhi the man, rather than the living god depicted by his disciples, Wolpert provides an unprecedented representation of Gandhi's personality and the profound complexities that compelled his actions and brought freedom to India.

[Mohandas Gandhi](#) Oxford India Paperbacks

Mahatma Gandhi Gandhi. The name conjures the image of a man, unimpressive in appearance, simple in his lifestyle, who spent his life pursuing independence for India. Months after the country achieved that independence from Great Britain, Gandhi's life ended when an assassin killed him. But Gandhi's legacy lives on. Gandhi's rise to political and spiritual leadership is the incredible saga of a man who, in his youth, showed no signs of greatness but who became one of the most influential men of all time. The civil rights movement that was led by Martin Luther King, Jr. owes its inspiration to Gandhi; the patient suffering of Nelson Mandela in his fight against apartheid grew out of the civil disobedience of Gandhi. Inside you will read about... - Growing up in India - Studying Law in London - Political Activism in South Africa - Becoming the Mahatma - The Battle for Independence in India - The Martyr of India And much more! The twentieth century saw the rise of despots and dictators, charlatans and cowards; it witnessed the evolution of weapons so deadly that whole countries could be destroyed; it incubated the rise of political philosophies and religious extremism that sought to eradicate democracy and mock compassion. But amidst all of the violence and hatred, Gandhi remained steadfast to his beliefs, and his beliefs have changed the world.

[Mahatma Gandhi](#) Createspace Independent Publishing Platform

Presents the story of the great leader who succeeded in bringing about social and political change in India through nonviolent means.

[Mahatma Gandhi](#) New City Press

The idea of nonviolent resistance is still as essential and almost as radical today as it was when Mahatma Gandhi (1869 – 1948) first pioneered in India the protest of political tyranny—in his case against British colonialism—through massive displays of civil disobedience. Gandhi's ideas of peaceful protest went on to inspire the marches and sit-ins of the American Civil Rights movement and continue to be the foundations for political and social demonstrations around the world. This biography by leading scholar Douglas Allen presents a new and challenging approach to understanding Gandhi's life—the time in which he lived, how he shaped history, and how his philosophy and practices can be reformulated in ways that are significant and effective today. Allen analyzes his continuing relevance by addressing key issues of truth and ethics, violence and nonviolence, equality and freedom, as well as ideas of exploitation, oppression, religious conflict, and environmental crises. Allen provides a much needed new perspective on Gandhi that allows us to rethink our basic values and priorities.

By helping us understand Gandhi's life and message, he creates a new paradigm for evaluating truth, nonviolence, peace, and morality; and he offers new criteria for assessing our modern approach to standards of living, development, progress, and meaningful human existence.

[Mahatma Gandhi](#) Penguin

Mahatma Gandhi became a legend in his own time. A tireless fighter for human rights and for Indian independence, his strategy of satyagraha, or passive resistance, earned him the admiration of millions. Louis Fischer's biography is the definitive account of Gandhi's life; it tells the astonishing story of one man who changed the world forever.

From the critically acclaimed Little People, BIG DREAMS series, discover the life of Mohandas Gandhi, the father of India. As a young teenager in India, Gandhi led a rebellious life and went against his parents' values. But as a young man, he started to form beliefs of his own that harked back to the Hindu principles of his childhood. Gandhi began to dream of unity for all peoples and religions. Inspired by this idea, he led peaceful protests to free India from British rule and unite the country—ending violence and unfair treatment. His bravery and free-thinking made him one of the most iconic people of peace in the world, known as Mahatma, meaning "great soul." This moving book features stylish and quirky illustrations and extra facts at the back, including a biographical timeline with historical photos and a detailed profile of the activist's life. Little People, BIG DREAMS is a best-selling series of books and educational games that explore the lives of outstanding people, from designers and artists to scientists and activists. All of them achieved incredible things, yet each began life as a child with a dream. This empowering series offers inspiring messages to children of all ages, in a range of formats. [GANDHI: FACTS AND LITTLE KNOWN STORIES ABOUT THE INDIAN THAT SHOOK THE WORLD](#)

Mohandas Karamchand Gandhi was not born with the physical qualities of a leader. A weak, shy and introverted child like him with the fear of both God and man would be expected to be soon absorbed into the collective consciousness and belief systems shared by the - almost half a billion - Indians of his time: not trying to make a change, but trying to make a living. What happened to Mohandas? Where did that fearful child find the courage to think differently, and most importantly, to act differently? In his book, Mahatma Gandhi Facts and Surprising Unknown Stories, Barry Powell, using storytelling, sheds light on Mohandas Gandhi's personality as well as the emotional adventures that contributed to the shaping of his unique leadership style. Everything you Ever Wanted to Know About Gandhi is in this Book! Mahatma Gandhi Facts and Surprising Unknown Stories is a compilation of the most interesting stories and facts from Gandhi's biographical timeline, which sheds light on the human side of this almost supernatural leader and gives us answers to hundreds of hot questions. Amongst them: - What are the two sins that Gandhi committed when he was a teenager? -Why did Gandhi try to commit suicide? -What happened the night of his father's death, which haunted him and filled him with guilt throughout his lifetime? -Was Gandhi a vegetarian by choice or by religion? -What happened that completely destroyed his career as a lawyer before it even started? -How did he find himself in Africa shortly after? -What happened in Africa that shaped his destiny to become a freedom fighter? -What were Gandhi's true feelings for his wife Kasturba? -Who was the fascinating woman that bewitched Gandhi while he was married to Kasturba? -What happened shortly after he founded his Ashram, which almost led them to

bankruptcy? -What was Gandhi's main argument against the use of machines? -Which important personality gave the title of Mahatma (Great Soul) to Gandhi? -When and why did Gandhi deny his Western clothes and started appearing in his white Indian loincloth? -What astonishing thing did he say about the Bible? -If he admired Jesus, why didn't he become a Christian? -What were his feelings about all living beings of creation? -What did Gandhi say the moment that Kasturba died in prison? -Why didn't Gandhi celebrate on India's Independence Day? -What exactly happened on the day of his assassination? -Who was the man that killed Gandhi? -Much much more! An inspiring and touching book about everything you ever wanted to ask about Gandhi! 1 2 sampletm

[Gandhi on Non-violence](#) Courier Corporation

The Bhagavad Gita, also called The Song of the Lord, is a 700-line section of a much longer Sanskrit war epic, the Mahabharata, about the legendary conflict between two branches of an Indian ruling family. Framed as a conversation between Krishna, an incarnation of the god Vishnu, and a general of one of the armies, the Gita is written in powerful poetic language meant to be chanted. Equally treasured as a guide to action, a devotional scripture, a philosophical text, and inspirational reading, it remains one of the world's most influential, widely read spiritual books. The Bhagavad Gita According to Gandhi is based on talks given by Gandhi between February and November 1926 at the Satyagraha Ashram in Ahmedabad, India. During this time—a period when Gandhi had withdrawn from mass political activity—he devoted much of his time and energy to translating the Gita from Sanskrit into his native Gujarati. As a result, he met with his followers almost daily, after morning prayer sessions, to discuss the Gita's contents and meaning as it unfolded before him. This book is the transcription of those daily sessions.

[The Essential Gandhi](#) Columbia University Press

"My purpose," Mahatma Gandhi writes of this book, "is to describe experiments in the science of Satyagraha, not to say how good I am." Satyagraha, Gandhi's nonviolent protest movement (satya = true, agraha = firmness), came to stand, like its creator, as a moral principle and a rallying cry; the principle was truth and the cry freedom. The life of Gandhi has given fire and fiber to freedom fighters and to the untouchables of the world: hagiographers and patriots have capitalized on Mahatma myths. Yet Gandhi writes: "Often the title [Mahatma, Great Soul] has deeply pained me. . . . But I should certainly like to narrate my experiments in the spiritual field which are known only to myself, and from which I have derived such power as I possess for working in the political field." Clearly, Gandhi never renounced the world; he was neither pacifist nor cult guru. Who was Gandhi? In the midst of resurging interest in the man who freed India, inspired the American Civil Rights Movement, and is revered, respected, and misunderstood all over the world, the time is proper to listen to Gandhi himself -- in his own words, his own "confessions," his autobiography. Gandhi made scrupulous truth-telling a religion and his Autobiography inevitably reminds one of other saints who have suffered and burned for their lapses. His simply narrated account of boyhood in Gujarat, marriage at age 13, legal studies in England, and growing desire for purity and reform has the force of a man extreme in all things. He details his gradual conversion to vegetarianism and ahimsa (non-violence) and the state of celibacy (brahmacharya, self-restraint) that became one of his more arduous spiritual trials. In the political realm he outlines the beginning of Satyagraha in South Africa and India, with accounts of the first Indian fasts and protests, his initial errors and misgivings, his jailings, and continued cordial dealings with the British overlords. Gandhi was a fascinating, complex man, a brilliant leader and guide, a seeker of truth who died for his beliefs but had no use for martyrdom or sainthood. His story, the path to his vision of Satyagraha and human dignity, is a critical work of the twentieth century, and timeless in its courage and inspiration. The Extraordinary Life of Mahatma Gandhi North Atlantic Books Gandhi's writings on non-violence are reproduced and placed within historical and intellectual contexts

[The Life and Death of Mahatma Gandhi](#) Createspace Independent Publishing Platform

The Story Of My Experiments With Truth is a bestseller which describes the ups and downs of the author's life. This book is about the author's experiments in his life, and how he developed himself as a person. This book instead of explaining Gandhi as a perfectionist, instead describes his many flaws and how he defeats his problems with his enormous willpower. The Story Of My Experiments With Truth is the story of a simple, immoral man who eventually transforms into a great freedom fighter. This book contains various incidents in this author's life from his birth to 1920s. His time in South Africa as an anti-apartheid activist is also looked into. This autobiography begins when he was a common man and ends right around the time he became an international figure. How he became Gandhi is quite fascinating to read. His philosophies of simplicity, nonviolence, and truth are comprehensively explored. This book is easy to read as it has good translation. The Story Of My Experiments With Truth was published by Om Books in 2010, and is available in the form of a paperback.

The Essential Writings of Mahatma Gandhi Simon and Schuster Mohandas K. Gandhi, called Mahatma ("great soul"), was the

father of modern India, but his influence has spread well beyond the subcontinent and is as important today as it was in the first part of the twentieth century and during this nation's own civil rights movement. Taken from Gandhi's writings throughout his life, *The Essential Gandhi* introduces us to his thoughts on politics, spirituality, poverty, suffering, love, non-violence, civil disobedience, and his own life. The pieces collected here, with explanatory head notes by Gandhi biographer Louis Fischer, offer the clearest, most thorough portrait of one of the greatest spiritual leaders the world has known.

"Gandhi was inevitable. If humanity is to progress, Gandhi is inescapable. . . . We may ignore him at our own risk." — Dr. Martin Luther King, Jr. With a new Preface drawn from the writings of Eknath Easwaran In the annals of spirituality certain books stand out both for their historical importance and for their continued relevance. The Vintage Spiritual Classics series offers the greatest of these works in authoritative new editions, with specially commissioned essays by noted contemporary commentators. Filled with eloquence and fresh insight, encouragement and solace, Vintage Spiritual Classics are incomparable resources for all readers who seek a more substantive understanding of mankind's relation to the divine.

Mahatma Gandhi: His Life and Ideas William Morrow Paperbacks

This selection of Gandhi's writings, taken from his letters, articles and books, represents the complete cross-section of his thought, from his early years as a young barrister in London, to his final days as sage and counsel to newly independent India. The selection not only reveals the growth of his ideas but also their essential internal integrity and consistency. Similarly, it illustrates the full facets of his personality, showing Gandhi to be both an ascetic mystic contemplative, as well as a man of action, and revealing aspects of his thought and character that may have previously been obscured.

[The Way to God](#) Oxford University Press

A highly original, stirring book on Mahatma Gandhi that deepens our sense of his achievements and disappointments—his success in seizing India's imagination and shaping its independence struggle as a mass movement, his recognition late in life that few of his followers paid more than lip service to his ambitious goals of social justice for the country's minorities, outcasts, and rural poor. Pulitzer Prize – winner Joseph Lelyveld shows in vivid, unmatched detail how Gandhi's sense of mission, social values, and philosophy of nonviolent resistance were shaped on another subcontinent—during two decades in South Africa—and then tested by an India that quickly learned to revere him as a Mahatma, or "Great Soul," while following him only a small part of the way to the social transformation he envisioned. The man himself emerges as one of history's most remarkable self-creations, a prosperous lawyer who became an ascetic in a loincloth wholly dedicated to political and social action. Lelyveld leads us step-by-step through the heroic—and tragic—last months of this selfless leader's long campaign when his nonviolent efforts culminated in the partition of India, the creation of Pakistan, and a bloodbath of ethnic cleansing that ended only with his own assassination. India and its politicians

were ready to place Gandhi on a pedestal as "Father of the Nation" but were less inclined to embrace his teachings. Muslim support, crucial in his rise to leadership, soon waned, and the oppressed untouchables—for whom Gandhi spoke to Hindus as a whole—produced their own leaders. Here is a vital, brilliant reconsideration of Gandhi's extraordinary struggles on two continents, of his fierce but, finally, unfulfilled hopes, and of his ever-evolving legacy, which more than six decades after his death still ensures his place as India's social conscience—and not just India's.
