Kazu Kibuishi's thrilling #1 New York Times bestselling series continues!

The Village Teacher Univ of California Press

AN INSTANT NEW YORK TIMES BESTSELLER! From celebrated anthropologist Jennifer Raff comes the untold story—and fascinating mystery—of how humans migrated to the Americas.

ORIGIN is the story of who the first peoples in the Americas were, how and why they made the crossing, how they dispersed south, and how they lived based on a new and powerful kind of evidence: their complete genomes. ORIGIN provides an overview of these new histories throughout North and South America, and a glimpse into how the tools of genetics reveal details about human history and evolution. 20,000 years ago, people crossed a great land bridge from Siberia into Western Alaska and then dispersed southward into what is now called the Americas. Until we venture out to other worlds, this remains the last time our species has populated an entirely new place, and this event has been a subject of deep fascination and controversy. No written records—and scant archaeological evidence—exist to tell us what happened or how it took place. Many different models have been proposed to explain how the Americas were peopled and what happened in the thousands of years that followed. A study of both past and present, ORIGIN explores how genetics is currently being used to construct narratives that profoundly impact Indigenous peoples of the Americas. It serves as a primer for anyone interested in how genetics has become entangled with identity in the way that society addresses the question "Who is indigenous?"

Prayers to My King is a beautiful gift book created to help women connect intimately with their God. Where the first book in the His Princess™ series reminded us that we are loved intimately and unconditionally by our King, this second book helps us express our deepest thoughts, desires, fears and failures by emulating King David in the Psalms and crying out to God through prayer. Christian women will gain a personal, dynamic prayer life. You want to feel God ' s presence... embrace His promises... cry out to Him... ..but don ' t know how! From your heart ' s deepest cry to life ' s joyful praises, nothing is off limits to Him. Go confidently now before His throne as you claim these powerful prayers as your own. He hears every word. He ' s waiting to hear from you. If from there you will seek the Lord your God, you will find Him if you seek Him with all your heart and soul and life. Deuteronomy 4:29, AMP Story Behind the Book “ Too many of God ' s “ chosen ones ” don ' t know how to have a real relationship with their Lord. We want to feel His presence, but we don ' t know how to let Him in. We want to see His promises come true, but we don ' t believe they are for us personally. We want to experience His power, but we keep trying to live life in our own strength. We want to cry out to Him, but we ' re afraid to break down and admit that we ' re weak. My prayer for this book is that women of God will have a personal, life-changing prayer life and be transformed into the daughters of the King they were destined to be from the beginning. ”

From 1861 to 1908 a woman, the Empress Dowager Tz'u-hsi, born the daughter of a minor mandarin, held the supreme power in China. Opportunistic, ruthless, malicious, she ruled over four hundred million people. Marina Warner's biography lays bare her complex personality: her extreme conventionalism; her hatred of "foreigners"; her passion for power and intrigue; her vanity and her delight in ritual; her extravagance and corruption and her love of gardens, painting and the theatre. THE DRAGON EMPRESS also portrays a China in rapid decline as poverty, civil war and foreign exploitation and invasion brought about the fall of the Ch'ing dynasty.

Which authors were contemporaries of Charles Dickens? Which books, plays, and poems were published during World War II? Who won the Pulitzer Prize in the year you were born? Timetables of World Literature is a chronicle of literature from ancient times through the 20th century. It answers the question "Who wrote what when?" and allows readers to place authors and their works in the context of their times. A chronology of the best in global writing, this valuable resource lists more than 12,000 titles and 9,800 authors, includes all genres of literature from more than 58 countries, and covers 41 languages. It is divided into seven sections, spanning the Classical Age (to 100 CE), the Middle Ages (100 – 1500 CE), and the 16th through the 20th centuries. Comprehensive in scope, Timetables of World Literature provides students, researchers, and browsers with basic facts and a worldwide perspective on literature through time. Four extensive indexes by author, title, language/nationality, and genre make research quick and easy. Features include: Birth and death dates as well as nationalities of authors and other literary figures Winners of major literary prizes and awards, such as the Nobel Prize in Literature and the Pulitzer Prizes, for each year Brief discussions of literary developments in each period or century, and the relationship of literature to the social and political climate Timelines of key historical events in each century.

Questions related to the origin and history of the Basque language spark considerable interest, since it is the only surviving pre-Indo-European language in western Europe. However, until now, there was no readily available source in English providing answers to these questions or giving an overview of past and current research in this area. This book is intended to partly fill this void. The book contains both state-of-the-art papers which summarize our knowledge about particular areas of Basque historical linguistics, and articles presenting new hypotheses and points of view based on hard evidence and careful analysis. All contributors to this volume have demonstrated expertise in the topic within Basque historical linguistics that their chapter addresses. Two classical articles by the late Luis Michelena are included in English translation. In addition, the book includes studies on diachronic phonology, morphology and syntax. The relation of Basque to other languages is also investigated in a couple of chapters.

The third in a new series of graphic novels from Hugo Award-winning author Liu Cixin and Talos Press In the depths of mountains shrouded with ignorance and superstition, a man dedicates his life to igniting a passion for science and culture in children ' s hearts. As his life draws to an end, he uses his dying breaths to impart knowledge on others. Fifty thousand lightyears away, in the depths of outer space, an interstellar war that has lasted for twenty thousand years draws to an end. In order to preserve the Milky Way ' s many civilizations, the victor begins to exterminate lower-level life forms. When they reach Earth, they pose a test. The eighteen children deep in the mountains use the last lesson their teacher taught them to shine bright the hope of civilization... The third of sixteen new graphic novels from Liu

Cixin and Talos Press, The Village Teacher is an epic tale that all science fiction fans will enjoy.

Prayers to My King Image Comics

A milestone in Japan's post-war philosophical thought and a dramatic turning point in Tanabe's own philosophy, "Philosophy as Metanoetics" calls for nothing less than a complete and radical rethinking of the philosophical task itself. It is a powerful, original work, showing vast erudition in all areas of both Eastern and Western thought.
