Editing is often seen as one

item on a list of steps in the writing process?usually put somewhere near the end, and often completely crowded out of writer's workshop. Too many times daily editing lessons happen in a vacuum, with no relationship to what students are writing. In Everyday Editing, Jeff Anderson asks teachers to reflect on what sort of message this approach sends to students. Does it tell them that editing and revision are meaningful parts of the writing process, or just a hunt for errors with a 50/50 chance of getting it right?comma or no comma? Instead of rehearsing errors and drilling students on what's wrong with a sentence, Jeff invites students to look carefully at their writing along with mentor texts, and to think about how punctuation, grammar, and style can be best used to hone and communicate meaning. Written in Jeff's

characteristically witty style, this refreshing and practical guide offers an overview of his approach to editing within the writing workshop as well as ten detailed sets of lessons covering everything from apostrophes to serial commas. These lessons can be used throughout the year to replace Daily Oral Language or error-based editing strategies with a more effective method for improving student writing.

Reading and writing are a very important skill in today's world thus one should make the students or kids practice grammar on an everyday basis so that they develop strong writing ability. In this workbook we have focused on punctuation and grammar skills so that a child will know when to use a period, when to use lowercase or capital letters and also will be able to identify mistakes and errors in a sentence or paragraph and easily correct them. There are multiple paragraphs inside the workbook presented in short stories which have a lot of errors that have to be identified and also fixed, Once the paragraph is grammatically fixed you can go ahead and check the answers that are there for every paragraph at the second half of the book.
