NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LIBRARY JOURNAL In this enchanting novel set at Cedar Cove's cozy Rose Harbor Inn, Debbie Macomber celebrates the power of love—and a well-timed love letter—to inspire hope and mend a broken heart. Summer is a busy season at the inn, so proprietor Jo Marie Rose

and handyman Mark Taylor have spent a lot of time together keeping the property running. Despite some folks' good-natured claims to the contrary, Jo Marie insists that Mark is only a friend. However, she seems to be thinking about this particular friend a great deal lately. Jo Marie knows surprisingly little about Mark's life, due in no small part to his refusal to discuss it. She's determined to learn more about his past, but first she must face her own—and welcome three visitors who, like her, are setting out on new paths. Twenty-three-year-old Ellie Reynolds is taking a leap of faith. She's come to Cedar Cove to meet Tom, a man she's been corresponding with for months, and with whom she might even be falling in love. Ellie's overprotective mother disapproves of her trip, but Ellie is determined to spread her wings. Maggie and Roy Porter are next to arrive at the inn. They are taking their first vacation alone since their children were born. In the wake of past mistakes, they hope to rekindle the spark in their marriage—and to win back each other's trust. But Maggie must make one last confession that could forever tear them apart. For each of these characters, it will ultimately be a moment when someone wore their heart on their sleeve—and took pen to paper—that makes all the difference. Debbie Macomber's moving novel reveals the courage it takes to be vulnerable, accepting, and open to love. Praise for Love Letters "Romance and a little mystery abound in this third installment of Macomber's series set at Cedar Cove's Rose Harbor Inn. . . . Readers of Robyn Carr and Sherryl Woods will enjoy Macomber's latest, which will have them flipping pages until the end and eagerly anticipating the next installment."—Library Journal (starred review) "Mending a broken heart is not always easy to do, but Macomber succeeds at this beautifully in Love Letters. . . . Quite simply, this is a refreshing take on most love stories—there are twists and turns in the plot that keep readers on their toes—and the author shares up slices of realism, allowing her audience to feel right at home."—Bookreporter

#### Iran-U.S. Claims Tribunal Reports: Volume 33

The Iran-US Claims Tribunal, concerned principally with the claims of US nationals against Iran, is the most important international claims tribunal to have sat in over half a century. Its jurisprudence is bound to make a uniquely important contribution to international law and, in particular, the law relating to aliens. The series is the only complete and fully indexed report of the decisions of this unique Tribunal. These Reports are essential for all practitioners in the field of international claims, academics in private and public international law and comparative lawyers as well as all Governments and law libraries. Each volume contains a detailed consolidated index and tables of cases covering the whole series to date.
