The classic introduction to origami paper folding for beginners! Florence Sakade's time-tested origami book for beginners has been given a complete makeover, with an attractive new layout, improved instructions and updated diagrams. These improvements will enable a new generation of folders to make the beloved paper models in this book. From animals,

flowers and boxes, to boats and the ever-popular crane, aspiring origami artists can learn directly from a master. This comprehensive book shows you how to fold 50 different models, including: A Japanese Kimono--A cute and satisfying model that will sharpen your folding skills A Jumping Frog--An action model that looks just like the real thing! Tap its hindquarters to get it to hop Spaceship and Jet Airplane--Give them a toss and watch them soar through the air A Whale--Make a splash with a charming model that only requires 8 steps to complete And many, many more! First published in 1958, this book has served as a guide for generations of origami folders. A reader favorite since then, it is perfect for adults or kids, and is the ideal gift for someone who wants to try their hand at origami for the very first time. The clear and colorful instructions make it easy to create amazing paper models with no previous folding experience.
