Winner of the first Dora Mavor Moore Award for Outstanding New Play, Maggie and Pierre chronicles the public and private relationship between Pierre Trudeau and Margaret Trudeau from 1974-1980. In this mock epic tale three characters, Pierre, Margaret, and Henry, a newspaper reporter navigate the landscape of a changing nation and opposing ideals. The Duchess tells the story of Wallis Simpson, the infamous woman for whom Edward

VIII abdicated his throne in 1936. Wallis was brazen and sexual, and unintentionally steered the course of British history as she captivated the king. An inspired epic, The Duchess traverses between a straightforward narrative and magic realism.

number of historicist and feminist premises about Tudor and Stuart literature by examining the connections between the anti-Petrarchan tradition and mainstream Petrarchan poetry. It also addresses some of the broader implications of contemporary critical methodologies. Heather Dubrow offers an alternative to the two predominant models used in previous treatments of Petrarchism: the all-powerful poet and silenced mistress on the one hand and the poet as subservient patron on the other. Press Samoan Reference Grammar is the first extensive grammar of Samoan, by number of speakers the largest Polynesian language. The grammar is divided into eighteen chapters which cover phonetics, phonology, and orthography, word classification and morphology, the syntax of various types of phrases, simple clause structure, nominalization, dependent clauses, coordination, and finally, case marking and grammatical relations. The descriptive framework is not tied to a particular linguistic

theory, but is based on the empirical findings of linguistic typology during the last two decades. The grammar is descriptive in the sense that it takes the Samoan ways of expression as the starting point of analysis and describes the meanings which are encoded by the various types of construction.

The founders and forerunners of the Southern Baptist Convention were fundamentally shaped by the thought of Puritan theologian Jonathan Edwards and his theological successors. While

Baptists in the antebellum South boasted a different theological pedigree than Presbyterians or Congregationalists, and while they inhabited a Southern landscape unfamiliar to the bustling cities and tall forests of New England, they believed their similarities with Edwards far outweighed their differences. Like Edwards, these Baptists were revivalistic, Calvinistic, loosely confessional, and committed to practical divinity. In these four things, Southern Edwardseanism lived, moved, and had its being. In the nineteenth-century, when so many Presbyterians scoffed

at Edwards's "innovation" and Methodists scorned his Calvinism, Baptists found in Edwards a man after their own heart. By 1845, at the first Southern Baptist Convention, Southern Edwardseans had laid the groundwork for a convention marked by the theology of Jonathan Edwards. Panel Summaries Penguin UK

A key work of ancient Chinese philosophy is brought back to life in Ian Johnston's compelling and definitive translation, new to Penguin Classics. Very little is known about Master Mo, or the school he founded. However, the book containing his philosophical

ideas has survived centuries of neglect and is today recognised as a fundamental work of ancient Chinese philosophy. The book contains sections explaining the ten key doctrines of Mohism; lively dialogues between Master Mo and his followers; discussion of ancient warfare; and an extraordinary series of chapters that include the first examples of logic, dialectics and epistemology in Chinese philosophy. The ideas discussed in The Book of Master Mo - ethics, anti-imperialism, and a political hierarchy based on merit - remain as relevant as ever, and the work is vital to understanding ancient Chinese philosophy. Translator Ian Johnston has an MA in Latin, a

PhD in Greek and a PhD in Chinese, and was Associate Professor of Neurosurgery at Sydney University until his retirement. He has published translations of Galen's medical writings, early Chinese poetry (Singing of Scented Grass and Waiting for the Owl), and early Chinese philosophical works (the Mozi and - with Wang Ping - the Daxue and Zhongyong). In 2011 he was awarded the NSW Premier's Prize and the PEN medallion for translation. Unlike previous translations, this version includes the complete text. It also includes an introduction and explanatory end notes. 'A landmark endeavour' Asia Times 'A magnificent and valuable

achievement' Journal of Chinese Studies 'Eminently readable and at the same time remarkably accurate...Johnston's work will be the standard for a long time' China Review International 'Compelling and engaging reading...while at the same time preserving the diction and rhetorical style of the original Chinese' New Zealand Journal of Asian Studies

May, 1940 Private Johnny Hawke, aged sixteen, awakens to artillery fire. Hours later, Stukas scream down from the sky. Messerschmit fighters roar towards his regiment. Trucks burst into flames. and strangeness of everyday life and they really made me laugh ” (Roz Chast). Moving from contemporary LA to the dorm rooms of an American college to ancient Pompeii, Eisenberg throws the reader into a universe of social misfits, reimagined scenes from history, and ridiculous overreactions; a college freshman forced to live with a roommate is stunned when one of her ramen packets goes missing (“ She didn ’ t have ‘ one ’ of my ramens. She had a chicken ramen. ”); Alexander Graham Bell has teething problems with his invention (“ I ’ ve been calling Mabel all day, she doesn ’ t pick up!
