Peppa Pig: Up and Down
Ladybird

A little fox is in a big bad mood, and is worried that its mother won't love it forever. In this beautiful and lyrical picture book we see a clever and resourceful mother prove to her child that a parents love is limitless - no matter what! In this reassuring and warm picture book the hugely talented Debi Gliori manages to treat the familiar subject of childhood worries in a very fresh, original and inventive way. 'this is an instant childhood classic for anyone over the age of three' Independent On Sunday 'the

literary equivalent of a big hug' The Times 'With gentle rhyming text, humorous pictorial detail and themes which can be explored and re-explored, this is a brilliant gem of a book.' The Guardian Brilliantly read by Amelia Fox. Please note that audio is not supported by all devices, please consult your user manual for confirmation.

A Netflix Original Series!
The New York Times, USA Today, and Wall Street Journal bestselling Last Kids on Earth series—now with over 7 million copies in print—presents June Del

Toro in her very own adventure! Told from June's point of view—and set between the shattering events of The Midnight Blade and The Skeleton Road—June's Wild Flight brings new characters, high-stakes action, and stunning revelations in an adventure that could only be June's. An essential Last Kids story that readers won't want to miss! The Midnight Blade ended with a shocking twist: a long-missing villain has returned and now has an army of the dead at his command! Jack, June, Quint, and Dirk have battled the worst kind of monsters,

zombies, and cosmic servants, but an endless horde of animated skeletons is next-level. While the kids plan their next move, an unexpected threat emerges and June gets separated from her friends, dragged miles away from Wakefield to a town overgrown with monstrous vines and never-before-seen creatures. Drawing on her post-apocalyptic survival and action skills--and with the help of some odd new companions--June attempts to make her way back home. But not before she uncovers critical information about the

mysterious "Tower." Information that the future of our world may hinge upon . . . Told in a mixture of text and black-and-white illustration, this is the perfect series for any kid who's ever dreamed of starring in their own comic book or video game.

William Boyd WHAT READERS ARE SAYING: 'I truly am astounded with this novel' 'Utterly absorbing, a real page turner' 'Full of twists and turns, enjoyed from beginning' Read Me a Story, Please Random House Bookseller Charles Handy's best-selling new book looks at how individuals (the fleas in his analogy) relate to multi-national conglomerates (the elephants). In addition to addressing how and why we work today, he covers a wide range of preoccupations and issues including the increasing fear of big business: 'it is easy to see why many observers think

that the big corporations are now both richer and more powerful than many nation states. They worry that these new corporate states are accountable to no-one - that their financial clout makes governments beholden to them ... The elephants, people feel, are out of control.' Rutu Modan's *Exit Wounds* was chosen by *The Times* as one of the three best graphic novels of 2007. It won the 2008 Eisner Award for the Best New Graphic Novel and was nominated for the Angoulême Best Comic Book Prize. *Jamilti and Other Stories* collects Modan's early short works: stories that range from darkly fantastical and unsettling to surprising discoveries that shape personal identity. And, as in *Exit Wounds*, she addresses

political violence affecting everyday lives.

Astro Mouse and Light Bulb #2
Dg Books Publishing

In this near-future utopia, in Halcyon all are free. People with wings fly alongside skyline railcars, between the towers. They are more than what we've known as human, the next stage of our evolution. Amid the psychic computers and genetic freaks, competitive laser sports and mindless bots, runs a love triangle stronger than death itself. Over these three nights in 2051, Harmony and Azad must find their way through misfits and prophets, blood and tears, to new horizons. Their fate, in the time of climate change, in the

afterglow of the rise of machines, is entwined with the world.

The Truth about Dinosaurs
Young Patriots Series

The mighty interstellar hero Astro Mouse and his bright first mate Light Bulb took a wrong turn on their way to the Moon (to see if it was made of cheese), getting lost in space. They go to infinity and beyond trying to find their way home with the help of their adopted, sentient caca. When they land on a planet populated by powdered sugar, the space crew thinks they might just

have found their new home. But a quartet of notorious no-goods vacationing there, Skunk Girl, Captain Fastidious, Arkade, and Meduso, calling themselves the Troublesome 4, might just prove problematic for the rodent and appliance super space duo.
