Santa Barbara 's Royal Rancho UNC Press

Books

A love letter to the game of baseball from one of America's foremost scribes Bob Ryan has scored every baseball game he's attended, at every level, since the start of the 1977 season. It's a deeply personal tradition still going strong at more than 1,400 games and counting. The tattered scorebooks he's filled are worn from age, travel, and countless summer days, but their grids and scrawled symbols tell the stories of milestones, rivalries, rare historic achievements, and more. In Scoring Position captures the incomparable spirit of baseball, with its infinite possibilities and madcap anomalies. Ryan, alongside baseball historian and statistician Bill Chuck, has scoured his scorecard archives for the most singular events—a switch-hitter being

---

hit by a pitch from both sides of the plate in the same game; a player batting for the cycle off four different pitchers; even back-to-back pinch-hit home runs with two outs in the 9th. Featuring some of the game's biggest names and wildest scenarios, this is a fascinating romp through baseball history, exuding a pure zeal for this sport that fans of all teams will recognize in themselves. Part of the collection at the library of the National Baseball Hall of Fame and Museum, this volume also features reproductions of dozens of scorecards from Ryan's collection.

Camaro Espinoza is "the deadliest female protagonist since Jon Land's Caitlin Strong and Stieg Larsson's Lisbeth Salander" (Booklist). Camaro Espinoza is a former combat medic whose past is shrouded in mystery. Having finally achieved a measure of calm and anonymity, Camaro receives a distress call from her sister Annabel. Living a modest life in a small town in California, Annabel has become trapped in an abusive relationship with a man named Jake Collier who threatens to make her daughter his next victim. Camaro rushes across the country to defend her sister for what may be the last time. And Jake has a sibling of his own, an ex-

Special Forces operative named Lukas who is every bit as unhinged as Camaro is uncompromising. For all Camaro's stealth and wit, she can only last so long against such a relentless force. As a pair of federal marshals pick up the trail, and a bounty hunter with a debt to settle closes in, Camaro's smart enough to know that standing her ground is the last thing she should do. But if there's one thing Camaro can't do, it's walk away -- even with a freight train like Lukas barreling towards her.

Edition Motorbooks International

Explicit sex, graphic violence, strong language; and Jim Morrison! An account of the sixties in California, from Hollywood to Haight-Ashbury, the Sunset Strip to Malibu. Free love, the birth of the drug culture, hippies, bikers, junkies, dope dealers, the anti-war demonstrations, Vietnam, draft dodgers, Timothy Leary, Charles Manson, life on the streets, hitchhiking across the USA and the clandestine abuses of the US Government. California Sixties is all of this and more! Follow Malibu Bowman from the age of fourteen to twenty-one as he makes a major impact on the generation that changed America in the very center of the changes; California. And experience the beauty, the

sorrow and the intricacies of his love affairs with four different women; a married woman five years his senior; a chic San Francisco society child; a gorgeous Lesbian; and a bright eyed street gypsy. Raw emotion, raw action, page turning suspense and the undeniable ring of truth. 545,000 words you won't be able to put down!

In Scoring Position Motorbooks

5 young men. 32 destroyed police vehicles. 1 spectacular bank robbery. This "cinematic" true crime story transports readers to the scene of one of the most shocking bank heists in U.S. history—a crime that 's almost too wild to be real (The New York Times Book Review). Norco '80 tells the story of how five heavily armed young men—led by an apocalyptic born – again Christian—attempted a bank robbery that turned into one of the most violent criminal events in U.S. history, forever changing the face of American law enforcement. Part action thriller and part courtroom drama, this Edgar Award finalist for Best Fact Crime transports the reader back to the Southern California of the 1970s, an era of predatory evangelical gurus, doomsday predictions, megachurches, and soaring crime rates, with the threat of nuclear obliteration looming over it all. In this riveting true story, a group of landscapers transforms into a murderous gang of bank robbers armed to the teeth with military – grade weapons. Their desperate getaway turns the surrounding towns into war zones. And when it 's over, three are dead

---

and close to twenty wounded; a police helicopter has been forced down from the sky, and thirty – two police vehicles have been completely demolished by thousands of rounds of ammo. The resulting trial shakes the community to the core, raising many issues that continue to plague society today: from the epidemic of post – traumatic stress disorder within law enforcement to religious extremism and the militarization of local police forces.

### Day One Wolters Kluwer

When this book was first published as a bestseller in 1960, reviewers noted that the 400-year history of Rancho Dos Pueblos mirrored in microcosm the history of California itself. Dos Pueblos bears one of California ' s oldest place-name, christened by Cabrillo during his voyage of discovery in 1542. Dubbed a " royal rancho " by historians because it was a gift of King Carlos III of Spain, Dos Pueblos was intended to support Mission Santa Barbara during the presidio period following Santa Barbara ' s founding in 1782. The first private owner, Irish-born Nicholas A. Den, a medical man, was awarded ownership of the ranch in 1842 by Mexican governor Juan B. Alvarado. When Col. John C. Fremont came over the mountain to seize Santa Barbara for the U.S. during the Mexican War, he emerged onto

Dos Pueblos Ranch. During the Gold Rush of ' 49, Den made his fortune selling Dos Pueblos beef to mining camps. Following Den ' s death in 1862 the ranch was subdivided among his widow and numerous children. Before and after the turn of the century Royal Ranch was the scene of many diverse activities. One of its later owners bred racehorses. Another converted Dos Pueblos into the world ' s largest orchid farm. A major oil company established off-shore petroleum production from pumps operated on the ranch. At the present time the historic spread specializes in such exotic crops as macadamia, cherimoyas and avocados. Journal of the Assembly, Legislature of the State of California Motorbooks International In 1970, after three years of growth in the muscle car sector, Chevrolet introduced its revamped Camaro. And despite dire predictions of the imminent collapse of the pony car market, the Camaro only became more and more popular, finally outselling the Mustang in 1977 and ' 78. Redesigned and reworked again and again to meet changing emission regulations, safety standards, and manufacturing conditions, these second-generation Camaros present special challenges to today ' s collectors and restorers. This book provides expert, detailed, and

complete information on every Camaro model produced between 1970 and 1981. The guide identifies the correct parts, finishes, options, and trim pieces for each of these second-generation models and covers the full range of engine options. Illustrated throughout with photographs of beautifully maintained originals and precisely accurate restorations, it is a book that no owner, restorer, or admirer of these classic muscle cars can do without.

Do you harbor passionate otherworldly desires where the normal and paranormal collide? Let Harlequin® Nocturne bring you into dark and dangerous territory where your senses will be awakened. This box set includes: Her Guardian Shifter by Karen Whiddon Some boundaries are made to be crossed... A rare Vedjorn Bear-shifter, Eric Mikkelson lives on his own terms. So allying with Wolf-shifters, even gorgeous Julia Jacobs, bristles his loner instincts. But Eric must protect his infant son from the dangerous shifter-cult stalking him. However, keeping JJ at arm's length proves nearly impossible. She gets under Eric's skin, exposing them to new risks as their staggering attraction defies Pack laws, and JJ's own dark secrets fester between them. When the safe haven of their shifter-friendly town is violated, laying low is no longer an option. Julia and Eric must embrace the power of their inner beasts, even if it means sacrificing their forbidden bond. Royal Enchantment by Sharon Ashwood

She married the king. She wanted the man.

Guinevere's marriage to Arthur was a political partnership, never a romance. Merlin knows that the king's court, newly restored at a medieval theme park, will only be complete if Arthur has his lady. Little did anyone suspect that once Guinevere gets a taste of twenty-first-century freedoms that this ancient queen would lose interest in belonging to any man—even a royal one. It takes a dragon, and some passionate nights spent in each other's arms, to lure her back to her husband's side. Arthur is willing to accept Gwen's help in protecting the new Camelot from a fae menace, but the bigger challenge will be wooing back Guinevere for a second chance at love... Join

The history of hot rodding and performance cars has been well chronicled through the years. Books and magazines have covered the cars, builders, pioneers, engineers, early racers, muscle cars, street racers, etc. Most take a nostalgic and fun look at the cars that many have loved their entire lives. Some even cover the lifestyle, the hobby as it involves people, and the effort, time, and commitment people put into it. It is more than just a hobby to most, and to many, a certain wave of nostalgia comes over them when remembering what the car scene was like "back in the

day." The local speed shop is an important element of the nostalgic feeling that people have when fondly remembering their hot rodding youth. Speed shops were not just parts stores, they were a communal gathering place for car guys wanting to talk smart, bench race, and catch up on the local scene, as well as to solicit the expert advice from the owner or staff behind the counter. Here, longtime hot rodder and industry veteran Bob McClurg brings you the story of the era and the culture of speed shops as told through individual shop's histories and compelling vintage photography. He covers the birth of the industry, racing versus hot rodding, mail-order, and advertising wars. You learn about the performance boom of the 1960s and 1970s, lost speed shops as well as survivors, and a overview of the giant mail-order speed shops of today.

## Motion Performance: Tales of a Muscle Car Builder CarTech Inc

Camaro: Fifty Years of Chevy Performance chronicles the first fifty years of Chevrolet's iconic Camaro through fascinating photography, history, and commentary about this legendary pony car. The early 1960s saw American auto manufacturers desperately trying to sell cars to the emerging baby-boom market. Chevrolet attained some success with its sporty Corvair Monza. Ford responded first with a sportier Falcon, then with its grand-slam, home-run pony car, the Mustang. At first, Chevrolet hesitated to abandon the technologically

advanced Corvair, but when it finally entered the pony car market in 1967, its new Camaro instantly became one of the most iconic cars of the classic muscle-car era. When muscle cars went dormant for a generation, it was once again the classic pony cars that jump-started American performance. The battle that raged between Camaro and Mustang in the 1980s rejuvenated the US auto industry's interest in high-performance muscle cars. The Camaro lost its way in the 1990s, with Chevrolet pursuing technological advances and Ford pursuing classic American muscle. As was the case in the 1960s, Ford's muscular pony car trounced Chevrolet's technologically advanced sporty car in the race that mattered most: showroom sales. The Mustang thrived while the Camaro left the scene. Fortunately, that departure was only temporary. Chevrolet introduced a twenty-first-century Camaro in 2010, and it has become one of Chevrolet's most popular models. With stunning photography from author Mike Mueller and never-before-seen archival photography from partner General Motors, *Camaro: Fifty Years of Chevy Performance* chronicles the Camaro's rich history, from the early attempts to reach the youth market in the 1960s, through the potent and turbulent years of the classic muscle-car era, the resurgence of muscle in the 1980s, the sad decline of the 1990s, and the triumphant rebirth

of the new car in this new millennium.

A photographic overview of the Camaro from its introduction in 1967 through 2017 features production specifications, facts, and trivia on each car.

The Complete Book of Chevrolet Camaro, 2nd Edition CarTech Inc

Today, a 1970 Hemi Cuda can change hands for as much as a quarter of a million dollars. But when it

was introduced, the Barracuda was just a car, and it was Joe Oldham's job to beat the daylights out of it. A tell-all from the man who tested the best, this book delves into the notes Oldham made on the cars he vetted for some of the top car magazines. Here are the photos (including outtakes) and the hard cold facts on muscle cars from the 1964 GTO to the 1976 Trans Am 455 HO--twenty-four in all. The 1970 Buick Gran Sport GSX, Oldham notes, was "the best handling muscle car we ever tested." The 1968 Plymouth Road Runner, on the other hand, was "just a car that didn't run very well"--despite its 426 Hemi. Today, people might know the articles Oldham wrote, and they might know the performance numbers he got. But how he did those things was an untold story. This behind-the-scenes book is a close-up look at what it was like to live in the muscle car era and to help create the myth that still lives on today. The list of reviewed cars includes: 1962 421 Super Duty Pontiac Catalina 1963 409 Chevrolet Biscayne 1968 Pontiac Firebird Sprint Turismo 1969 Baldwin-Motion SS-427 Camaro 1969 440 Plymouth Barracuda 1969 Firebird 400 Ram Air IV 1969 426 Hemi Road Runner 1969 440 Plymouth GTX 1969 440 6-BBL Plymouth Road Runner 1969 Pontiac GTO Judge 1969 428 Cobra Jet Mustang Mach 1 1970 426 Hemi Barracuda Convertible 1970 Buick GSX 455 Stage 1 1970 Pontiac GTO Ram Air IV 1971 429SCJ Ford Torino Cobra 1971 American Motors 401 AMX 1972 Oldsmobile 4-4-2 W-30 1973 Chevrolet Camaro Z28 1976 455 Pontiac Trans Am [Books in Print](#) Mulholland Books Taylor G. Petrey's trenchant history takes a landmark

---

step forward in documenting and theorizing about Latter-day Saints (LDS) teachings on gender, sexual difference, and marriage. Drawing on deep archival research, Petrey situates LDS doctrines in gender theory and American religious history since World War II. His challenging conclusion is that Mormonism is conflicted between ontologies of gender essentialism and gender fluidity, illustrating a broader tension in the history of sexuality in modernity itself. As Petrey details, LDS leaders have embraced the idea of fixed identities representing a natural and divine order, but their teachings also acknowledge that sexual difference is persistently contingent and unstable. While queer theorists have built an ethics and politics based on celebrating such sexual fluidity, LDS leaders view it as a source of anxiety and a tool for the shaping of a heterosexual social order. Through public preaching and teaching, the deployment of psychological approaches to "cure" homosexuality, and political activism against equal rights for women and same-sex marriage, Mormon leaders hoped to manage sexuality and faith for those who have strayed from heteronormativity.
