With more than 25 years of experience in business, strategy, and empowering others, and as a recognized

thought-leader and sought-after international speaker, Rita takes us through her life journey and childhood experiences of growing up in London as a second-generation Assamese girl, to becoming one

of the first women on Goldman Sachs' equities trading floor in London, to spearheading business development in global CNS drug development, to becoming a multi award-winning entrepreneur with the founding of Uma. With plenty of anecdotes, stories, and examples, The Goddess of Getting(TM) offers a unique insight into Rita's illustrious career as a successful businesswoman and entrepreneur,

highlighting the importance of confidence, communication, and ownership in that process. The Goddess of Getting tells the compelling story of Rita's journey with candor and authority as she calls for policy and societal changes that support the backbone of the economy. India...a young country, a timeless civilisation Explore

it with India's very own storyteller, Amish India, a culture that witnessed the dawn of civilisation. That witnessed the rise of other cultures and watched them turn to dust. It has been celebrated and attacked. Admired and vilified. But through all these millennia, after all the ups and downs of history, it's still here! And now, after a few centuries of decline, it's driving a new dawn once again.

Ajanaabhavarsh.

Bharat. Hindustan.

India. The names

may change, but the soul of this great land is immortal.

Amish helps you understand India

like never before, through a series of sharp articles, nuanced speeches, and intelligent debates. Based on his deep understanding of subjects such as, religion, mythology, tradition, history, contemporary societal norms, governance, and ethics, Amish lays out the vast landscape of an ancient culture with a fascinatingly modern outlook.

followers to leaders, offering insights into what it takes to become more innovative. Becoming innovative involves destroying the old ways of thinking—personally and professionally—and training the brain to summon its muse and therefore find the pathway to innovative thinking. This book is written with the understanding that studies show that 83% of people are Visual Learners, discerning by seeing an image. Most people go through life believing that the mind is cast in concrete. The reality is that it is cast in putty and is malleable. The Innovative Mind is thirty-three chapters of Innovative Solutions to help the reader on the path to

Brian and his

friends are not part of the cool crowd. They 're the misfits and the troublemakers—the ones who jump their high school 's fence to skip class regularly. So when a deadly virus breaks out, they 're the only ones with a chance of surviving. The virus turns Brian 's classmates and teachers into bloodthirsty attackers who don 't die easily. The whole school goes on lockdown, but Brian and his best friend, Chad, are safe (and stuck) in the theater department—far from Brian 's sister, Kenzie, and his ex-girlfriend with a panic attack

problem, Laura. Brian and Chad, along with some of the theater kids Brian had never given the time of day before, decide to find the girls and bring them to the safety of the theater. But it won 't be easy, and it will test everything they thought they knew about themselves and their classmates.
