Bright Side Up Penguin

We live in a polarized time. Christians are quick to conceive of themselves either

as theologically-minded or worship-minded; either thinking Christians or feeling Christians. The results are damaging: theology without worship is muted, stifled, and cold, and worship without theology is ungrounded, unrooted, and uninformed. This is not the way it was meant to be. Theology (our study and knowledge of God) should always lead to doxology (our worship of Him). Worship should always be rooted in theology. When we study the nature and character of God as revealed in his Word, we are invited to respond in the affectionate, obedient discipleship of worship. How can we keep our theology from being mere head knowledge? How do we give our worship roots that will last? By fixing our eyes on God Himself—the object of our study and the object of our worship. *Fix Your Eyes* is an invitation to understand core doctrines of the Christian faith and apply them in our

daily worship of God. It walks believers through key theological concepts and shows how each can be lived out in daily life.

Finding Emma Penguin

NEW YORK TIMES BESTSELLER • A powerful memoir of a love that leads two people to find a courageous way to part—and a woman's struggle to go forward in the face of loss—that "enriches the reader's life with urgency and gratitude" (The Washington Post) "A pleasure to read . . . Rarely has a memoir about death been so full of life. . . . Bloom has a talent for mixing the prosaic and profound, the slapstick and the serious."—USA Today ONE OF THE BEST BOOKS OF THE YEAR: NPR Amy Bloom began to notice changes in her husband, Brian: He retired early from a new job he loved; he withdrew from close friendships; he talked mostly about the past. Suddenly, it seemed there was a glass wall

between them, and their long walks and talks stopped. Their world was altered forever when an MRI confirmed what they could no longer ignore: Brian had Alzheimer's disease. Forced to confront the truth of the diagnosis and its impact on the future he had envisioned, Brian was determined to die on his feet, not live on his knees. Supporting each other in their last journey together, Brian and Amy made the unimaginably difficult and painful decision to go to Dignitas, an organization based in Switzerland that empowers a person to end their own life with dignity and peace. In this heartbreaking and surprising memoir, Bloom sheds light on a part of life we so often shy away from discussing—its ending. Written in Bloom's captivating, insightful voice and with her trademark wit and candor, *In Love* is an unforgettable portrait of a beautiful marriage, and a

boundary-defying love.

The Instant Zondervan

A mind-bending, genre-twisting debut novel. In West Akron, Ohio, there lived a reclusive elderly man who always wore mittens, even in July. He had no friends and no family; all over town, he was known as the Man from

When an unexpected visit from an old friend introduces him to the strange mystery of "the man with a thousand mittens," David decides to investigate. What he finds draws him back into a world he thought he had left behind forever. And the closer David gets to uncovering the true identity of the Man from Primrose Lane, the more he begins to understand the dangerous power of his own obsessions and how they may be connected to the deaths of both the old hermit and his beloved wife. Two decades of living is not nothing. It is everything we know. In *Twenty-One Years Young: Essays*, author Amy Dong examines the uncertainty, absurdity, and beauty in growing up. This poignant collection of essays is unabashedly intimate, drawing the

reader into Dong's life as if they were a close friend. She masterfully evokes humor, nostalgia, melancholy, and euphoria to create scenes that are as vivid as they are profound. In this collection, you'll read essays such as "So It Goes" (inspired by the famous Vonnegut quip), in which Dong reflects on a near-death experience; "On Taking Care of Pets," a self-explanatory essay that provides the very best of belly laughs; and "The Man with the Magical Watch," in which Dong grapples with the pain-and joy-inherent to our limited existence. These essays urge readers to consider the meaning of a good life and, further, how they will choose to spend the rest of their moments. Fans of Didion and Sedaris alike will find themselves at home with this collection for its unyielding insight into young adulthood, travel, and life itself.

Wild Woman Simon and Schuster
Magazine editor and single mother Amy Bickers was finally putting her life together after a long divorce when, on an August night in 2009, she witnessed the suicide

of her ex-husband. In 2009, 36,909 suicides were reported in the United States. In the years since, that number has increased. In 2013, the most recent year for which statistics are available, there were 41,149 suicides reported in the U.S. Around the world, more than 800,000 people will die by suicide this year. It is said that each suicide intimately affects six friends and family members. A suicide every 13.7 minutes in the U.S. is tragically multiplied by six: six people who are called "survivors." *The Geography of You and Me* is a deeply personal and honest exploration of what came next: grief, post-traumatic stress, and healing. It is a journey filled with dark humor, rap songs by Ludacris, too much cursing, and a perfectly healthy fixation on George Clooney. *The Geography of You and Me* is ultimately a story of forgiveness and hope. Amy forgave her ex-husband almost immediately. The struggle after his death was to forgive herself and to find a way forward in an uncertain landscape. Every year, millions are

faced with the complexities of grief and guilt in the wake of unexpected violence and death. This book is for anyone whose reality in the wake of tragedy has not matched up with the books, movies and television shows that tell us how we're supposed to feel and behave. This book is for anyone who is thrust by tragedy into a world they no longer recognize. The Geography of You and Me is for anyone who no longer knows where they stand when the world is turned upside down. *Three Fallen Women* Crown

A chance encounter at a summer party sent writer Josceline Dimbleby on a quest to uncover a mystery in her family's past. After talking with Andrew Lloyd Webber about a beautiful, dark portrait in his art collection, she decided to find out more about the subject of the painting: her great-aunt Amy Gaskell. Dimbleby had always known her great-aunt's face from this

haunted portrait by the well-known Pre-Raphaelite painter Sir Edward Burne-Jones, but beyond that and a family rumor that Amy had died young "of a broken heart," Dimbleby knew little of her female forebears. At the start of her search, Josceline came across a cache of unpublished letters from Burne-Jones to her great-grandmother May Gaskell, Amy's mother. These letters turned out to be part of a passionate correspondence—adoring, intimate, sometimes up to five letters a day—which continued throughout the last six years of the painter's life. As she read, more and more questions arose: Why did Burne-Jones feel he had to protect May from an overwhelming sadness? What was the deep secret she had confided to him? And what was the tragic truth behind Amy's

wayward, wandering life, her strange marriage, and her unexplained early death? In piecing together the eventful life of her grandmother, Dimbleby takes us through a turbulent period in history that includes the Boer War, the Great War, and the Second World War and visits the most far-flung corners of the British Empire. The Souls—William Morris, Rudyard Kipling, and William Gladstone—all play a part in this sweeping, often funny, and sometimes tragic story. Above all, it is her infectious enthusiasm for a subject so close to home that makes May and Amy such a compelling and richly entertaining read.
