"Be it a single delicate bud in a simple clear vase or an explosion of colorful blossoms, a brilliant bouquet accents an atmosphere and brightens the mood like nothing else. The beauty of flowers has inspired artists, designers, poets, and myriad other creators for centuries: the Dutch masters of the 1600s and impressionist painters from Manet to Van Gogh, photographer Robert Mapplethorpe, botanical illustrator Georg Dionysius Ehret, and even the inimitable Andy Warhol. Flowers: art & bouquets showcases a glorious profusion of floral images and interpretations across a spectrum of artistic media and time periods. Design writer Sixtine Dubly chronicles the evolution of floral design in this remarkable compendium, which also features stunning work by more than forty contemporary floral artists in London, Paris, and New York, from minimalist to elaborate. This treasury of gorgeous imagery blooms in resplendent color before the reader's eyes." --

-A colorful collection of photographs from GEMOLOGUE by Liza Urla, a leading and much-loved jewelry blog and winner of the Best Blog in the Fashion category at the UK Best Blog Awards 2015 -Liza Urla is considered to be the first jewelry influencer in the world: she started her highly successful award-winning jewelry blog, GEMOLOGUE.com, back in 2009 and since then has worked with countless jewelry brands such as Van Cleef & Arpels, Chanel, Bulgari, Faberge, Buccellati among others and has gained more than 300,000 followers -Combines 'street-style' pictures with Urla's professional styling creations, developed in collaboration with designers from all over the world -Inspirational and eye-catching photographs will be of interest to jewelry enthusiasts from all over the world Did you know that jewelry predates clothes? The oldest known piece is a set of 100, 000-year-old beads, made from Nassarius shells. Liza Urla advises us not to look at the eyes when meeting a new person, but instead to look at their jewelry. She describes it as the ultimate means of self-expression, essential to our identification as humans. "Jewellery is our armour," she says, "and precious stones our amulets." In this book, she journeys from continent to continent, chronicling the pieces that capture her imagination and her heart. Although many of the pictures are from the street, defining the wearer's style on the day they were taken, Urla has been lucky enough to access people's personal jewelry boxes. As she says, the best pieces are always in private collections. Urla's favorite finds are presented alongside her own jewelry styling, in collaboration with various designers from the jungles of Brazil, the beaches of Mexico, or the streets of London, NYC, Paris or Moscow.

Chicago Tribune Index Hearst Fujingaho Co., Ltd.

The volume presents an extraordinary collection of jewels, jewellers and international maisons which, from the start of the twentieth century to the present day, have mirrored the changing taste worldwide. It is a global journey which takes us from France to Russia, from the United States to Italy, from Britain to Germany and from the Netherlands to Scandinavia. From the Art Nouveau masterpieces of Lalique, Vevert and Fouquet to Art Deco elegance and the wonders of Cartier, Boucheron, Tiffany, Mario Buccellati and Fabergé. From the inventions of Van Cleef & Arpels and Bulgari in the 1950s to the Dutch avant-garde and the artist's jewel of the 1960s, ending with illustrations of up-to-date and contemporary jewellery design. A brilliant historical-critical essay introduces a magnificent selection of pictures, designed to be an ideal gallery of masterpieces of twentieth-century jewellery, accompanied by technical explanations and an exhaustive glossary. The book closes with the new millennium, with the intermingling of art and design and the introduction of new goldsmithery techniques like 3D printing and wearable technologies but also new creative, production, distribution and communication processes thanks to Internet open sources which are defining new future scenarios in jewellery design. A brilliant historical-critical essay introduces a magnificent selection of pictures, designed to be an ideal gallery of jewellery masterpieces from the twentieth century to the present, accompanied by technical explanations and an exhaustive glossary.

The fine jeweler Chaumet, established in 1780, is one of the crown jewels of Place Vendôme. Following the release of a first slipcase set of Mmoire volumes, Assouline introduces a second set on the themes of Fêtes, the Arts, and Photography, seen through the lens of more than two centuries of history and the evolution of Chaumet's artistic creations: Photography: Chaumet has kept meticulous records of its creations, and in the late 1800s, Joseph Chaumet established an in-house photographic studio to immortalize each jewel. From large-format glass plates to cutting-edge digital, the history of photography is reflected in the house's extensive archives. Arts: A high-jewelry atelier is akin to symphony, a fine sculpture, or an epic poem, and the successive maestros and virtuoso artisans of the Chaumet atelier have composed symphonies of artistic jewels to express new emotions through innovative styles, themes, and colors. Fêtes: From imperial banquets to late nights at fashionable clubs to lavish costume balls, the Parisian spirit of joie de vivre inspires consummate artistry, and the house's latest collection, Chaumet est une fête, evokes these moments of culture and music that have punctuated the lives of its illustrious clients and for which they adorned themselves with extraordinary jewels.

A gloriously illustrated social history of diamond jewelry, told through the stories of the European rulers and socialites who commissioned and wore them. Diamonds have long symbolized political power and authority in Europe. This book explores the individuals who commissioned and wore extraordinarily precious diamond ornaments from the mid-fourteenth century to the present day. Exquisite paintings and breathtaking photography highlight the diamonds of figures as enduring as Louis XIV of France and Queen Elizabeth I of Great Britain, as well as screen icons such as Elizabeth Taylor. From Lisbon to London and Stockholm to St. Petersburg, these figures used diamond jewelry to reinforce their power. Like royal dress, diamonds were worn to dazzle and impress—at weddings, coronations, christenings, and state visits—and were presented as gifts, which often proved remarkably successful as instruments of diplomacy. More than three hundred illustrations capture the changing styles of diamond jewelry that mirror the trends of the time: late Gothic naturalism, the culture of the Renaissance, Baroque splendor, Rococo elegance and the imperial grandeur of the First and Second Napoleonic Empires. This book offers a fascinating overview of one of the world's most iconic gems.

The glory of classic Cartier jewelry is exhibited through fifty years worth of designs shown in this exhibition catalog. It shows how surprising the First Cartiers were, in two clear ways: first, art nouveau elements are almost totally absent. Instead there is a singular reinterpretation of the neoclassical vocabulary: floral motifs, acanthus scrolls, and garlands or drops. Care for detail in these

architectural motifs-often in three dimensions-is paramount. At the same time, Cartier introduced the use of platinum for the mounts. This metal was more solid and more luminous but also harder to work. It required a revolution in setting techniques as well as new tools and underlying techniques. Layer by layer, these foundation designs raised Cartier to the position of visionary and pioneer. Specialists, collectors, fans of Cartier objects, and those who love decorative arts will discover a surprising new view of Cartier in this major catalog. Gemologue Laurence King Publishing

This book explores ideas around minimalism, simplicity and how to live comfortably with less. The modern world can be a complicated, frenzied, and noisy place, filled with too many options, products, ideas and opinions. That explains why what many of us long for is simplicity: a life that can be more pared down, peaceful, and focused on the essentials. But finding simplicity is not always easy; it isn't just a case of emptying out our closets or trimming back commitments in our diaries. True simplicity requires that we understand the roots of our distractions - and develop a canny respect for the stubborn reasons why things can grow complex and overwhelming. This book is a guide to the simpler lives we crave and deserve. It considers how we might achieve simplicity across a range of areas. Along the way, we learn about Zen Buddhism, modernist architecture, monasteries, psychoanalysis, and why we probably don't need more than three good friends or a few treasured belongings. It isn't enough that our lives should look simple; they need to be simple from the inside. This book takes a psychological approach, guiding us towards less contorted hearts and minds. We have for too long been drowning in excess and clutter from a confusion about our aspirations; A Simpler Life helps us tune out the static and focus on what properly matters to us.

Tord Boontje: Enchanted World Penguin

* An exciting new reference work on 20th century jewelry* Provides a detailed history of jewelry design and development from 1900 to 2000* Over 500 new, high quality, full color photographs* The perfect gift for jewelry lovers, scholars and professionals Understanding Jewellery, by authors David Bennett and Daniela Mascetti, is often described as the must-have jewelry book of our time - a 'Bible' in the jewelry trade. First published in 1989, it has remained in print ever since, amassing a loyal following of devotees who admire its detailed information and stunning imagery. In this new work, Bennett and Mascetti have taken the original concept of Understanding Jewellery a stage further. Now, with the benefit of 20 years of hindsight, they have concentrated on the 20th century alone by conducting a detailed survey of each decade, identifying the key players, trends and movements. The book is an encyclopaedic history of the various forms, techniques and materials employed by the companies and individuals who defined jewelry in the 20th century. Most significantly, this book includes a new set of photographs, which make Understanding Jewellery: The Twentieth Century one of the most dazzling, absorbing and varied collection of jewelry images ever assembled in a book. This large format hardback volume is a perfect gift for all lovers of jewellery and the definitive guide for those who desire a deeper understanding of the subject.

Detail in Contemporary Hotel Design School of Life

The first book devoted to Maison Chaumet, the prestigious jewelers in the Place Vendôme, Paris, sheds new light on the history of jewelry and the development of styles from the French revolution to the present.

Throughout its long history from 1789, Chaumet has always succeeded in

attracting the greatest buyers; Russian princes, Maharajas, the aristocracy and millionaires of the Old and New World were all drawn by the combination of the finest stones available with jewelery epitomizing French chic and good taste. The founder, Marie-Etienne Nitot, who made jewels for Napoleon and his two empresses, set the standard which has been maintained ever since. The Chaumet archives go back to 1836. The author spent several years studying the ledgers, tradesman's accounts and correspondence, as well as albums of designs and thousands of daguerrotypes. She presents the fascinating story of this genius of jewelery in a scholarly but readable form using quotations from contemporary literature, fashion magazines, diaries and letters to bring the story to life.

ELLE 2018年2月号【日文版】 Facts on File

Artist Petra Collins and actress Alexa Demie create nine erotic stories in a contemporary reimagining of a fairy tale book. Fairy Tales is an erotic folklore of short stories shot by Petra Collins starring Alexa Demie. The pair created the concept and text collaboratively. Alexa portrays nine characters that embody new stories they would have liked to see. As children, Petra and Alexa were both enamored with fairy tales, which provided an escape from their own painful realities. Each of the nine tales are set in unique spaces, ranging from suburban homes and parking lots to fantastical sets. Petra and Alexa's chapters of elves, mermaids, sirens, water sprites, fallen angels, fairies, witches, and banshees blend their own stories with retold fairy tales. The photos combine elements of camp, prosthetics, and shibari in a surreal update to the imagery of the Brothers Grimm, Hans Christian Anderson, Charles Perrault, and others.

It is no coincidence that Donald Robertson has become the fashion world's favorite illustrator. Humorous and sharp, Donald's work is collected by stars such as Beyoncé and featured in collaborations with it-brands and retailers, earning Robertson the moniker "the Andy Warhol of Instagram." Featuring playful anecdotes and quotes from industry leaders, fashion designers, and the artist's many collaborators and muses, Donald is already a collector's item.

The David Bailey Sumo. Ediz. Illustrata National Geographic Books

Sevan Biçakçi is a jeweler fit for an Ottoman emperor, encompassing a mastery of traditional techniques largely unseen in contemporary metalsmithing and gem cutting. An Istanbul native, Sevan is a visionary jeweler, fusing diverse elements of nature, ancient mythology, and Ottoman history, literature, and architecture into his award-winning creations. His imaginative designs and singular craftsmanship have intrigued and impressed fellow jewelers and connoisseurs for years, and his awe-inspiring jewels, unique in their storytelling artistry, are avidly sought by the world's most discerning and sophisticated collectors. Now, in a study and celebration of the essence of time itself, Sevan has explored the Ottoman tradition of timekeeping and clockmaking, which he discovered through an exhibition of timepieces at the world-famous Topkapi Palace Museum in Istanbul. For nine years, Sevan has channeled his imagination to create a collection of dramatic jewels that not only tell the time, but also recount the story of time, fusing the rational and the emotional. This evolving collection of extraordinary timepieces, featuring high-tech Swiss-made movements, have all the allure and grace of Sevan's original jewelry, bringing his artistic refinement and technical expertise to the centuries-old craft of watchmaking.
