Iznogoud - I Want to Be Caliph Instead of Caliph VIZ Media LLC

We've all played that game. 'Well, if I were in charge...' We've all imagined what we'd do if we were president of this or minister of that. For Iznogoud, though, it's not just a game. As Grand Vizier, he can pretty much decide that he will be anything he wants to... except Caliph, of course. But, since it's Iznogoud, every single one of his decisions is inevitably going to go astray and bring disaster - and that's how we like it!

Lambil arrivent encore à nous surprendre. Avec ce récit basé (comme souvent) sur une anecdote authentique, les auteurs nous entraînent dans une grande aventure historico-humoristique où les préjugés sexistes en prennent pour leur grade. Humour, documentation, efficacité du trait et personnages attachants sont quelques-uns des ingrédients qui font des "Tuniques Bleues" une grande série qui rencontre un public toujours plus large.

Délaissant pour une fois les anecdotes historiques de la guerre de Sécession, Raoul Cauvin et Willy Lambil se lancent dans six historiettes faisant la part belle à la plus noble conquête de l'homme. À travers le récit de l'amitié entre le caporal râleur et tire-au-flanc et sa fidèle jument, ils offrent un angle original et inédit pour évoquer les victimes innocentes de cette guerre sanglante.
