Heart of Darkness and the Secret Sharer Penguin

Heart of Darkness centers around Marlow, an introspective sailor, and his journey up the Congo River to meet

Kurtz, reputed to be an idealistic man of great abilities. Marlow takes a job as a riverboat captain with the Company, a Belgian concern organized to trade in the Congo. As he travels to Africa and then up the Congo, Marlow encounters widespread inefficiency and brutality in the Company's stations. The native inhabitants of the region have been forced into the Company's service, and they suffer terribly from overwork and ill treatment at the hands of the Company's agents. The cruelty and squalor of imperial enterprise contrasts sharply with the impassive and majestic jungle that surrounds the white man's settlements, making them appear to be tiny islands amidst a vast darkness.

blazing core of the twentieth century. Victor Serge's final novel, here translated into English for the first time, is at once the most ambitious, bleakest, and most lyrical of this neglected major writer's works. The book is arranged into four sections, like the panels of an immense mural or the movements of a symphony. In the first, D, a lifelong revolutionary who has broken with the Communist Party and expects retribution at any moment, flees through the streets of prewar Paris, haunted by the ghosts of his past and his fears for the future. Part two finds D's friend and fellow revolutionary Daria caught up in the defense of a besieged Leningrad, the horrors and heroism of which Serge brings to terrifying life. The third part is set in Germany. On a dangerous assignment behind the lines, Daria finds herself in a city destroyed by both Allied bombing and Nazism, where the populace now...

Thunder at Twilight is a landmark historical vision, drawing on hitherto untapped sources to illuminate two crucial years in the life of the extraordinary city of

Vienna-and in the life of the twentieth century. It was during the carnival of 1913 that a young Stalin arrived in Vienna on a mission that would launch him into the upper echelon of Russian revolutionaries, and it was here that he first collided with Trotsky. It was in Vienna that the failed artist Adolf Hitler kept daubing watercolors and spouting tirades at fellow drifters in a flophouse. Here Archduke Franz Ferdinand had a troubled audience with Emperor Franz Joseph-and soon the bullet that killed the Archduke would set off the Great War that would kill ten million more. With luminous prose that has twice made him a finalist for the National Book Award, Frederic Morton evokes the opulent, elegant, incomparable sunset metropolis-Vienna on the brink of cataclysm.

Macy Joseph Conrad by Virginia Woolf  
Joseph Conrad (1857-1924), was a Polish author who wrote in English after settling in England. Conrad is regarded as one of the greatest novelists in English, though he did not speak the language fluently until he was in his twenties. He wrote stories and novels, often with a nautical setting, that depict trials of the human spirit in the midst of an indifferent universe. He was a master prose stylist who brought a distinctly non-English tragic sensibility into English literature.

McGraw-Hill's 10 ACT Practice Tests, Second Edition Vintage Joseph Conrad and Ford Madox Fords collaborative work, *The Nature of a Crime* is a study of human psychology. Delving into the darkest recesses of human mind, they present idiosyncratic characters fighting with their own overwhelming desires and intuitions. The deep love of the protagonist gives way to even more profound desperation. The feelings of the protagonist, as life crumbles around him, are expressed profoundly by the two authors. Level 3: The Secret Agent MP3 Pack e-artnow Heart of Darkness (1899) is a novella by Polish-English novelist Joseph Conrad about a narrated voyage up the Congo River into the Congo Free State in the Heart of Africa. Charles Marlow, the narrator, tells his story to

friends aboard a boat anchored on the River Thames. This setting provides the frame for Marlow's story of his obsession with the successful ivory trader Kurtz. Conrad offers parallels between London ("the greatest town on earth") and Africa as places of darkness. Central to Conrad's work is the idea that there is little difference between "civilised people" and those described as "savages." Heart of Darkness implicitly comments on imperialism and racism. Joseph Conrad Ultimate Collection: 18 Novels, 20+ Short Stories, Letters & Memoirs Penguin In this pair of literary voyages into the inner self, Joseph Conrad has written two of the most chilling, disturbing, and noteworthy pieces of fiction of the twentieth century. Heart of Darkness is a devastating commentary on the corruptibility of humanity. Based on Conrad's own 1890 trip up the Congo River, the story is told by Marlow, the novelist's alter ego. It is a journey into darkness and horror—both literally, as the narrator descends into a sinister jungle landscape, and metaphorically, as he encounters the morally depraved Mr. Kurtz. The Secret Sharer is the tale of a young sea captain's

first command as he sails into the Gulf of Siam—and into an encounter with his mysterious “ double, ” the shadow self of the unconscious mind. Joseph Conrad boldly experimented with the novella and novel forms, filled his writing with the exotic places he himself had traveled, and concerned himself with honor, guilt, moral alienation, and sin. *Heart of Darkness* and *The Secret Sharer* encapsulate his literary achievements—and his haunting portrayal of the dark side of man. Terrorism has long been a major shaping force in the world. However, the meanings of terrorism, as a word and as a set of actions, are intensely contested. This volume explores how literature has dealt with terrorism from the Renaissance to today, inviting the reader to make connections between older instances of terrorism and contemporary ones, and to see how the various literary treatments of terrorism draw on each other. The essays demonstrate that the debates around terrorism only give the fictive imagination more room, and that fiction has a great deal to offer in terms of both understanding terrorism and our responses to it. Written by historians and literary critics, the essays provide essential knowledge to understand terrorism in its full complexity. As befitting a global problem, this book brings together a truly international group of scholars, with representatives from America, Scotland, Canada, New Zealand, Italy, Israel, and other countries.
