*A Hell of a Dog* Minotaur Books

I could smell him - or rather the booze on his breath - before he even opened the door, but my sense of smell is pretty good, probably better than yours. So begins this fabulous, funny new detective novel featuring Bernie, a slightly down-at-heel PI; and his off sider, Chet, a dog - and the captivating narrator of the story. Chet may have flunke...

It's a Wonderful Woof Thomas Nelson

Chet has smelled a lot of unusual things in his years as trusted companion and partner to P.I. Bernie Little, but nothing has prepared him for the exotic scents he encounters when an old-fashioned traveling circus comes to town. Bernie scores tickets to this less-than-greatest-show-on-earth because his son Charlie is crazy about elephants. The only problem is that Peanut, the headlining pachyderm of this partiular one-ring circus, has gone missing--along with her trainer, Uri DeLeath. Stranger still, no one saw them leave. How does an elephant vanish without a trace into the dark desert night? Some very dangerous people would prefer that Chet and Bernie disappear for good and will go to any lengths to make that happen. Across the border in Mexcio and separated from Bernie, Chet must use all his natural strength and doggy smarts to try and save himself--not to mention Bernie and a decidedly uncooperative Peanut, too.

*The Dog Who Knew Too Much* Simon and Schuster

Ellie has been through a bad divorce and she doesn't trust men. Ellie has strange dreams about her dog Belle that has recently passed. As the dreams continues she begins to understand what the dreams are telling her. Johnathan is wounded in Iraq and ends up at the VA Hospital in the small town of Breezewood and dealing with the loss of his family. He rents a house behind Ellie, which neither one is aware of. After several run-ins with Johnathan, she doesn't like him, and he thinks she is a mental case. By chance, they save a stray dog from drowning. After saving the dog, they agree to share the dog on alternating weeks, as in a child custody case. Things get hilarious and out of control over who knows best for Jasper. Jasper has plans of his own. After Ellie and Johnathan save his life, he decides to make them part of his pack. Jasper is very cunning and is determined to form his pack, until something very unexpected happens.

**A Cat Was Involved** Simon and Schuster

In the sixth installment in the New York Times bestselling mystery series that the Los Angeles Times called "nothing short of masterful," Chet and Bernie are handed a hard case in the Big Easy. Chet and Bernie, the best canine/human P.I. team in the business, encounter a prison work crew that includes Frenchie Boutette, an old pal they sent up the river. Frenchie begs Bernie to go find his brother Ralph, a reclusive inventor who has disappeared--along with his houseboat--from the bayou. Not long after, Bernie fends off a deadly attack from a member of a shadowy gang called the Q's. The attacker dies without revealing anything. In bayou country, Chet and Bernie meet the no-good Boutette family and their ancient enemies, the maybe-even-worse Robideaus. At first it looks like Ralph's disappearance is tied to a dispute between the two families over a load of stolen shrimp. But Chet turns up a buried clue that sends them in a new and dangerous direction involving the oil business. The more they find out about Ralph and what he knew, the less their chances of surviving to do anything about it. Now they're up against Big Oil, shadowy black ops figures, and the Q's--plus Iko, a legendary bayou gator with a big appetite... A top-notch addition to the "deliciously addictive" (Publishers Weekly) series, *The Sound and*

*the Furry* is an irresistibly suspenseful and humorous read that will keep you begging for more.

When a famous pooch comes to Wagtail for some downtime, inn owner Holly Miller learns that murder never rests in this all-new Paws & Claws mystery in the New York Times bestselling series. America's favorite dog comes to pet-friendly Wagtail for some rest and relaxation, but Holly quickly discovers that this perfect pup is a total scamp who takes every opportunity to run off and misbehave. During an outdoor treasure-hunting game, the star dog and Trixie, Holly's beloved Jack Russell terrier, stumble across a dead body. Holly has more than murder to worry about, though, when a man shows up after reading an article featuring Trixie in a magazine and claims that he is the dog's rightful owner. Holly will need to prove that she is her pup's only parent and catch a killer to restore peace to her pet-loving happy place.

Dog on it ReadHowYouWant.com

From former detective turned noted author and dog trainer, Carol Lea Benjamin, comes the fifth book in the critically-lauded Rachel Alexander mystery series, for the first time in mass market. Sophie Gordon didn't let her epilepsy get in the way of her life as a teacher of deaf children. But without her trusty canine companion, an indispensable service dog named Blanche, she wouldn't be nearly as well-off. A service dog that can perform the difficult tasks that epilepsy requires--sensing when a seizure is about to occur and fetching life-saving medication--is extremely rare, so when a veterinarian's office promises that they can clone Blanche, Sophie jumps at the opportunity. Her former worries can now be put to rest, knowing that now she'll have a replacement for Blanche when the time comes. But the puppy they provided didn't have what it takes to be a service dog, and when Sophie visits the vet to alert them of the problem, none of the staff is anywhere to be found--they've disappeared without a trace. To get to the bottom of this clone-by-night operation, Sophie hires P.I. Rachel Alexander and Dash, her pit bull partner. And two days after meeting with Rachel, Sophie is found dead, apparently of a seizure, but it didn't take Dash's sensitive nose to tell that something doesn't smell right, and that the missing vets definitely need further examination.

*The Curious Incident of the Dog in the Night-Time* Orion

Winner of the Shamus Award for Best First PI Novel: In the first book of Carol Lea Benjamin's acclaimed mystery series, Greenwich Village PI Rachel Alexander and her loyal pit bull must find a killer and a missing show dog Divorced dog trainer--turned--private-eye Rachel Alexander and her canine assistant Dash--short for Dashiell--are hired by a man named Dennis Keaton to investigate the hit-and-run death of his friend and neighbor Clifford Cole, whose body was found on an isolated Christopher Street pier. The police are treating the gay painter's suspicious death as a hate crime, but Dennis insists Cliff hadn't cruised the waterfront in months. Plus, Magritte, Cliff's champion basenji--a competitor in the upcoming Westminster Dog Show--may have been a witness to the crime and is now missing. The search for answers takes Rachel and Dash from the SoHo art scene to the most famous dog show in America. Now Rachel is in the sights of a killer hunting her across a treacherous urban landscape. There's no one she can trust--especially not of the two-legged variety. This Dog for Hire is the 1st book in the Rachel Alexander and Dash Mysteries, but you may enjoy reading the series in any order.

[Sad, the Dog](#) Open Road Media

In this "riveting" legal thriller, a German Shepherd police dog witnesses a murder -- and if his owner, an Iraq war vet and former cop-turned-thief, is convicted of the crime, the dog could be put down (Publishers Weekly). Few rival Andy Carpenter's affection for dogs, and he decides to represent the poor canine. As Andy struggles to convince a judge that this dog should be set free, he discovers that the dog and his owner have become involved unwittingly in a case of much greater proportions than the one they've been charged with. Andy will have to call upon the unique abilities of this ex-police dog to help solve the crime and prevent a catastrophic event from taking place.

To Say Nothing of the Dog Anchor Canada

A seven-year-old girl befriends a large stray dog, survives a flood that separates her from her beloved father, and sees an angel.

To Build a Fire Open Road Media

Hired to babysit a spoiled actor whose latest film is being shot in the Valley, Chet and Bernie uncover links between the actor and a long-ago local crime, a situation that is further complicated by the actor's troublemaking cat.

The Wrong Dog Xulon Press

The path to enlightenment is fraught with danger when Greenwich Village PI Rachel Alexander and her pit bull, Dash, investigate the death of a tai chi practitioner Did she jump or was she pushed? Devastated by the loss of their only child, David and Marsha Jacobs hire Rachel to find out why Lisa leaped to her death from the fifth-floor window of her martial arts studio. The tai chi instructor, who was studying to be a Zen

Buddhist priest, seemed to have it all: beauty, brains, a vocation she adored, a sexy lover--and her beautiful, sad-eyed Akita, who may have been the only witness to her death and is still grieving the loss of his mistress. Refusing to believe that Lisa would abandon her beloved pet--and with only a suspicious suicide note to go on--Rachel and her canine assistant, Dash, hit the streets of downtown New York, retracing the dead woman's steps to figure out whether she was yin to a killer's yang. The Dog Who Knew Too Much is the 2nd book in the Rachel Alexander and Dash Mysteries, but you may enjoy reading the series in any order.

The Dog Who Knew Too Much Penguin

From bestselling author of She's Not There, New York Times opinion columnist, and human rights activist Jennifer Finney Boylan, *Good Boy: My Life in Seven Dogs*, a memoir of the transformative power of loving dogs. This is a book about dogs: the love we have for them, and the way that love helps us understand the people we have been. It's in the love of dogs, and my love for them, that I can best now take the measure of the child I once was, and the bottomless, unfathomable desires that once haunted me. There are times when it is hard for me to fully remember that love, which was once so fragile, and so fierce. Sometimes it seems to fade before me, like breath on a mirror. But I remember the dogs. In her New York Times opinion column, Jennifer Finney Boylan wrote about her relationship with her beloved dog Indigo, and her wise, funny, heartbreaking piece went viral. In *Good Boy*, Boylan explores what should be the simplest topic in the world, but never is: finding and giving love. *Good Boy* is a universal account of a remarkable story: showing how a young boy became a middle-aged woman--accompanied at seven crucial moments of growth and transformation by seven memorable dogs. "Everything I know about love," she writes, "I learned from dogs." Their love enables us to pull off what seem like impossible feats: to find our way home when we are lost, to live our lives with humor and courage, and above all, to best become our true selves.

[Where the Red Fern Grows](#) Celadon Books

A lawyer by day--and then only when he's forced to take on new cases--Andy Carpenter's true passion is the Tara Foundation, the dog rescue organization he runs with his friend Willie Miller. So it's frightening when Willie calls him to say the alarm has gone off at the foundation building, and there's clearly been a break-in. It turns out that a recently rescued dog, nicknamed Cheyenne since her arrival at the foundation, has been stolen. Andy and Willie track the missing dog to a house in downtown Paterson, New Jersey and sure enough, they find the dog...standing right next to a dead body. The man had been gruesomely murdered mere minutes before Andy and Willie arrived. Could it be a coincidence? Or could the dog theft somehow be connected to the killing? Andy takes Cheyenne safely back to the foundation building, and that should be the end of his involvement, but Andy's curiosity--and his desire to keep the dog from further harm--won't let him stop there. The cops have just arrested a man named Tommy Infante for the murder, but as Andy looks into the circumstances surrounding the break-in and the dog theft, he starts to wonder if Infante might actually be innocent. And when Andy takes Infante on as a client and starts searching in earnest for evidence that will exonerate him, what Andy starts to discover terrifies him. The murder might be just one small cog in a plot with far-reaching implications, and unless Andy can uncover the truth in time, thousands of lives could be in imminent danger. Once again David Rosenfelt has written a fast-paced and clever mystery with his characteristic blend of humor, larger-than-life characters, and propulsive plotting.

[The Sound and the Furry](#) Houghton Mifflin Harcourt

Gary Paulsen has owned dozens of unforgettable and amazing dogs, and here are his favorites--one to a chapter. Among them are Snowball, the puppy he owned as a boy in the Philippines; Ike, his mysterious hunting companion; Electric Fred and his best friend, Pig; Dirk, the grim protector; and Josh, one of the remarkable border collies working on Paulsen's ranch today. *My Life in Dog Years* is a book for every dog lover and every Paulsen fan--a perfect combination that shows vividly the joy and wisdom that come from growing up with man's best friend.

The Angel Knew Papa and the Dog Simon and Schuster

The New York Times Bestselling Mystery There is trouble brewing in the Louisiana swamp -- Bowser can smell it. Bowser is a very handsome and only slightly slobbery dog, and he can smell lots of

---

things. Like bacon. And rawhide chews! And the sweat on humans when they're lying. Birdie Gaux, the girl Bowser lives with, also knows something is wrong. It's not just that her grammy's stuffed prize marlin has been stolen. It's the weird rumor that the marlin is linked to a missing treasure. It's the truck that seems to be following Birdie and the bad feeling on the back of her neck. When Birdie and Bowser start digging into the mystery, not even Bowser's powerful sniffer can smell just how menacing the threat is. And when the danger comes straight for Birdie, Bowser knows it up to him to sic 'em.

My Life in Dog Years Simon and Schuster

Someone is killing off the great dog trainers of the world—and it 's up to PI Rachel Alexander and her pit bull, Dash, to collar the murderer Rachel has just been hired as undercover security at a dog-training symposium at a posh Manhattan hotel. How can the Greenwich Village PI and her pit bull, Dashiell, turn down the hefty fee, plus free room and biscuits at the Ritz? All Rachel has to do is keep the peace among the competitive diva dog trainers who have come with their prize pooches from all corners of the globe. She and Dash have barely infiltrated the festivities when they find out that one of the trainers, the self-proclaimed guru of a controversial obedience technique, has been electrocuted in his bathtub. The cops are calling it an accident. Until another trainer dies . . . and then another. With suspects including a dog psychic and a behaviorist to the stars, Rachel discovers that it 's the humans who need to be housebroken as she and Dash bring a serial killer to heel. A Hell of a Dog is the 3rd book in the Rachel Alexander and Dash Mysteries, but you may enjoy reading the series in any order.

We'd all love to know what our dog is thinking - if only it could tell us when it's in pain, when it's stressed, whether it's fine being left alone for half a day or whether that makes it sad. Does it enjoy one particular walk more than another? Does it like what you feed it? Why does it chew the sofa when we go out? Why does it bark at joggers but not cyclists? Why does it howl at night? And will it ever stop chasing next door's cat? The truth is that your dog is communicating with you all the time, but unless you know the signs, you aren't picking up on what your dog wants you to know. Louise Glazebrook is a dog trainer, behaviourist, and television presenter, who specialises in teaching people how to understand and connect with their dogs. Most dog trainers focus on the dog, but Louise focuses on you, the owner, giving you the skills and confidence to interpret your dog's needs and behaviour. In *The Book Your Dog Wishes You Would Read* she shares the advice and expertise that she's used to help countless clients.
