Anna thinks the boy in the cowboy hat looks silly—but he's the only one who can save the day in this Guided Reading Level F story. It's a beautiful day! Anna and her toy dog, Toto, are all set to visit the beach, where the girl will teach her pup to swim. Toto is a quick learner, and Anna is having fun—until a wave pushes the floating toy far out into the ocean. No one knows how to save Toto—except for the boy in the cowboy hat, who leaps into action to lasso the wayward dog! Maybe he's not so silly after all. This richly-illustrated story about friendship and first impressions is perfect for young readers just beginning to tackle more complex sentence structures. The bright, charming artwork adds humorous detail—from Toto's tiny wheels to the Cowboy's aura of mystery—and helps support understanding of the text. The award-winning I Like to Read® series focuses on guided reading levels A through G, based upon Fountas and Pinnell standards. Acclaimed author-illustrators—including winners of Caldecott, Theodor Seuss Geisel, and Coretta Scott King honors—create original, high quality illustrations that support comprehension of simple text and are fun for kids to read with parents, teachers, or on their own! Level F books, for early first graders, feature longer, more varied sentences than Level E. Level F books encourage kids to decode new multi-syllable words in addition to recognizing sight words. Stories are more complex, and illustrations provide support and additional detail. When Level F is mastered, follow up with Level G.

What are the one hundred best session tunes? Ask a group of traditional musicians that question and you will provoke a great deal of thought, and, of course, end up with a completely different answer from each one. There is such an amazing wealth and variety of tunes out there, constantly shifting as they pass from person to person, medium to medium; song tunes, dance tunes, marches, polkas, waltzes, love songs, ancient tunes, dirges, made up tunes, sad tunes Nick Barber has been part of traditional English music sessions up and down the country for many years. Recently he has been spotted playing melodeon, horn and recorder a bit less and asking about tunes a bit more. His copious scribbled notes have resulted in this tune book. The Tunes are accurately transcribed, referring to original sources wherever possible. Also included is information about each tune, with Nick's choice of chords suitable for squeezebox and guitar players alike. If You'd like to join in with the delights of sharing tunes with others in an English session, this book is a good reference point.

Every tune is a gem, tried and tested not just by Nick on melodeon and his wife Mary on fiddle, but by generations of players who, over the year, have made the tunes what they are. All the tunes in this book can be heard on two optional CDs, Bonny Kate (DMPCD0203) and Lovely Nancy (DMPCD0204).
