The Little Black Songbook: Acoustic Hits Wise Publications

The first, and only, inside story of one of the greatest bands in rock history—Dire Straits—as told by founder member and bassist John Illsley One of the most successful music acts of all time, Dire Straits filled stadiums around the world. Their album sold hundreds of millions of copies and their music—classics like “Sultans of Swing,” “Romeo and Juliet,” “Money for Nothing,” and “Brothers in Arms”—is still played on every continent today. There was, quite simply, no bigger band on the planet throughout the eighties. In this powerful and entertaining memoir, founding member John Illsley gives the inside track on the most successful rock band of their time. From playing gigs in the spit-and-sawdust pubs of south London, to hanging out with Bob Dylan in LA, Illsley tells the story of the band with searching honesty, soulful reflection, and wry humor. Starting with his own unlikely beginnings in Middle England, he recounts the band’s rise from humble origins to the best-known venues in the world, the working man’s clubs to Madison Square Garden, sharing gigs with wild punk bands to rocking the Live Aid stage at Wembley. And woven throughout is an intimate portrait and tribute to his great friend Mark Knopfler, the band’s lead singer, songwriter, and remarkable guitarist. Tracing an idea that created a phenomenal musical legacy, an extraordinary journey of joy and pain, companionship and surprises, this is John Illsley’s life in Dire Straits. *Little Black Book of All-Time Hit Songs* Diversion Books

Get Lucky is Mark Knopfler’s fifth studio album of the decade and represents a beautifully crafted exploration of a lifetime of musical roots, fluently combining folk and blues with his original song writing and vivid observational lyricism. All the songs from the album are here arranged for Guitar Tab, complete with full lyrics, accompanying standard notation and melody lines.

Alfred’s Easy Guitar Songs - Classic Rock Wise Publications

"Ken McNab's in-depth look at The Beatles' acrimonious final year is a detailed account of the breakup featuring the perspectives of all four band members and their roles. A must to add to the collection of Beatles fans, And In the End is full of fascinating information available for the first time. McNab reconstructs for the first time the seismic events of 1969, when The Beatles reached new highs of creativity and new lows of the internal strife that would destroy them. Between the pressure of being filmed during rehearsals and writing sessions for the documentary Get Back, their company Apple Corps facing bankruptcy, Lennon's heroin use, and musical disagreements, the group was arguing more than ever before and their formerly close friendship began to disintegrate. In the midst of this rancour, however, emerged the disharmony of Let It Be and the ragged genius of Abbey Road, their incredible farewell love

letter to the world"--

The Smiths: The Singles Collection (Guitar TAB) Omnibus Press

"A collection of over 120 New Zealand songs arranged for guitar in the same key as the original recordings. Complete with full lyrics, chord names and a handy pull-out chord chart"--Back cover.

The Little Black Songbook: Dire Straits & Mark Knopfler Music Sales

(Guitar Book). This unique publication contains 52 favorite Beatles songs arranged exclusively for the

guitar. It is designed to provide an accurate look into the lead and rhythm guitar styles of George Harrison and John Lennon. Instead of providing transcriptions of the guitars off the record, these arrangements use the musical elements of the bass, drums, keyboards and guitars all incorporated into one guitar so that they can be played alone or in a band. Written in tablature, this book also provides numbers, strums, accents and picking patterns for those who do not read music.

The Little Black Songbook: Great Acoustic Songs Hal Leonard Publishing Corporation

In celebration of the 45th anniversary of *The Dark Side of the Moon*, Bill Kopp explores the ingenuity with which Pink Floyd rebranded itself following the 1968 departure of Syd Barrett. Not only did the band survive Barrett's departure, but it went on to release landmark albums that continue to influence generations of musicians and fans. *Reinventing Pink Floyd* follows the path taken by the remaining band members to establish a musical identity, develop a songwriting style, and create a new template for the manner in which albums are made and even enjoyed by listeners. As veteran music journalist Bill Kopp illustrates, that path was filled with failed experiments, creative blind alleys, one-off musical excursions, abortive collaborations, general restlessness, and—most importantly—a dedicated search for a distinctive musical personality. This exciting guide to the works of 1968 through 1973 highlights key innovations and musical breakthroughs of lasting influence. Kopp places Pink Floyd in its historical, cultural, and musical contexts while celebrating the test of fire that took the band from the brink of demise to enduring superstardom.

All Time Top 1000 Albums Hal Leonard Corporation
