Presque Isle  
State Park, a  
peninsula  
extending seven  
miles into Lake  
Erie, attracts four  
million visitors  
each year. Since  
the late 1800s,  
the park has been

an ecological and  
recreational  
paradise where  
visitors can enjoy  
solitude, reflection,  
and the wonders  
of nature. At times  
strong storms are  
driven in off of  
Lake Erie,  
however, and  
since 1814, man  
has been  
struggling to  
protect Presque  
Isle against the  
forces of nature  
that constantly  
cause destruction  
and erosion on the  
park. Through  
extensive  
research and  
vintage images  
gathered from the  
collections of  
author Eugene  
Ware, the Erie  
County Historical  
Society, Erie

County Public  
Library,  
Pennsylvania  
Department of  
Conservation and  
Natural  
Resources, and  
various local  
sources, A History  
of Presque Isle  
reflects the history  
and special aura  
of the park. It  
traces the long  
and rich past of  
Presque Isle and  
Erie,  
Pennsylvania,  
from the  
peninsula's  
formation in the  
ice ages to the  
early 1950s.  
Through a series  
of conversations  
with Joe Root, the  
legendary hermit  
who lived in the  
park from  
approximately

---

1880 until nearly 1915, as well as his own personal reflections, Ware provides an unforgettable glimpse into the beauty and majesty of Presque Isle, including what it offers visitors today. A History of Presque Isle documents the history and complete story of a Pennsylvania park known for its ghosts, legends, and gift for influencing visitors to this day.

Reporting on the Kennedy Assassination  
Harper Collins  
The untold story of Indonesia, gold, JFK, Allen Dulles,

the CIA, and secret military coups. Two of the most fascinating figures in history—John F. Kennedy, thirty-fifth president of the United States, and Allen Dulles, our nation's longest-serving CIA director—often clashed over intelligence issues and national security. However, one such conflict has remained in the shadows until now. JFK vs. Allen Dulles: Battleground Indonesia takes reader to the vast archipelago 3,350 miles wide where this secret showdown occurred. In 1936, an Allen Dulles-established

company discovered the world's largest gold deposit in remote Netherlands New Guinea. In 1962, President Kennedy intervened, and Netherlands New Guinea was added to President Sukarno's Indonesia. Neither Sukarno nor JFK was aware of the gold, since Dulles had not informed Kennedy. Dulles planned a complicated and ruthless CIA regime-change strategy to seize control not only of Indonesia itself, but also of its vast resources, including the gold. This strategy included a push to start Malaysian Confrontation. Yet

---

Kennedy's plan to visit Jakarta in early 1964 would have sunk Dulles' master plan, which included the destruction of the Indonesian communist party as a wedge to split Moscow and Beijing. Only an assassin's bullet put an end to Kennedy's plan of peace. Did Allen Dulles arrange for JFK to be killed to save his plan and his gold? Was his coup for gold successful with JFK out of the picture? Using archival records as a basis, Greg Poulgrain adds word-of-mouth evidence from those people who were directly involved—such as

Dean Rusk and others who worked with President Kennedy and Allen Dulles at the time; or the person who was with Michael Rockefeller when he mysteriously disappeared in West New Guinea during this whole affair. "What did Allen Dulles know that meant JFK and Sukarno both had to go? How did Sukarno's Non-Aligned Movement shake Dulles's Cold War chessboard? How was JFK about to turn it over? Greg Poulgrain blazes the way brilliantly. Follow the dark trail from the world's largest gold deposit, to the murder in Dallas, to the CIA

coup and genocide in Indonesia." —James W. Douglass, author of JFK and the Unspeakable "Dr. Poulgrain is to be commended for exposing definitively, at long last and despite vehement government denials, the CIA-Suharto alliance that toppled Sukarno in Indonesia, leading to the slaughter of at least half a million innocent people. The template for regime change, reused in Iraq and other conflicts, is laid bare for all to see. Poulgrain's work fills a significant hole in our history—the importance of Indonesia on the

---

large battlefield of interests that put Allen Dulles and John F. Kennedy on a fatal collision course.” —Lisa Pease, author of *Lie Too Big to Fail: The Real History of the Assassination of Robert F. Kennedy* Brothers Trine Day Lays out the myriad details of New Orleans District Attorney Jim Garrison's investigation into the murder of JFK, discussing events from World War II to the present day and the indictment of Clay Shaw in the murder.  
*JFK vs. Allen Dulles*  
Constellation  
In 1970 a photocopied manuscript began

circulating among conspiracy researchers entitled 'Nomenclature of an Assassination Cabal' by William Torbitt (a pseudonym). The Torbitt Document was a damning expose of J Edgar Hoover, Lyndon Johnson, John Connally and Werner von Braun, among many others, for their role in the assassination of President John F Kennedy. This first published edition of the Torbitt Document emphasizes what the manuscript says about the link between Operation Paperclip Nazi scientists working for NASA, the Defence Industrial

Security Command (DISC), the assassination of JFK, and the secret Nevada air base known as Area 51. The Torbitt Document illuminates the darker side of NASA, the Military Industrial Complex, and the connections to Mercury, Nevada, and the Area 51 complex which headquarters the 'secret space programme'.  
90 Minutes at Entebbe  
Prometheus Books  
Mellen profiles a former Louisiana district attorney, covering his World War II experiences at the Dachau Concentration Camp the day after

---

its liberation, his years confronting the corrupt politics of Louisiana, and his investigation into the assassination of President John Kennedy. Before and After Simon and Schuster Robert F. Kennedy was the first conspiracy theorist about his brother's murder. In this astonishingly compelling and convincing new account of the Kennedy years, acclaimed journalist David Talbot tells in a riveting, superbly researched narrative why, even on 22 November 1963, RFK had reason to believe that dark forces were at work in Dallas and reveals, for the first time, that

he planned to open an investigation into the assassination had he become president in 1968. BROTHERS also portrays a JFK administration more besieged by internal enemies than has previously been realised, from within the Pentagon, the CIA, the FBI and the mafia. This frightening portrait of sinister elements within and without the government serves as the background for the emotionally charged journey of Robert Kennedy. Reading it, you can absolutely believe any number of people would have been happy for both brothers to meet a sticky end. The tragedy, not just for America but for the world, is that since their murders no one

has had the nerve to stand against the dark forces they challenged in quite the same way. Crossfire Simon and Schuster The incredible story of an Israeli mission that rescued 103 hostages from a hijacked jetliner. On June 27, 1976, Air France Flight 139 was hijacked by terrorists and flown to Entebbe Airport in Uganda. In the following agonizing days, Israeli passengers were singled out and held hostage. A week later on July 4, one hundred Israeli commandos raced

---

2,500 miles from Israel to Entebbe, landed in the middle of the night, and in a heart-stopping mission that lasted ninety minutes, killed all guerillas and freed 103 hostages. In captivating detail, Stevenson provides a fast-paced hour-by-hour narration from the hijacking to the final ninety-minute mission. In addition to discussing the incredible rescue itself, Stevenson also covers the political backdrop behind the hijacking, especially

Ugandan President Idi Amin's support for the hijackers, which marked one of the first times a leader of a nation had backed terrorist activities. An illustration of one nation's undying spirit, heroism, and commitment to its people in the face of threat, Operation Thunderbolt has become a legendary antiterrorist tale. Although first written in 1976 (and published within weeks of the event), Stevenson's account presents this act of

terrorism in a way that is still relevant in our modern-day political climate. A factual account of what could easily be read as sensational fiction, 90 Minutes at Entebbe will inspire, encourage, and instill hope in all readers. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil

---

War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Destiny Betrayed  
Lannoo Publishers  
(Acc)

Based on Oliver Stone's documentary, *JFK Revisited*, read the transcripts and

interviews that will change the way you think about the John F. Kennedy assassination. *JFK Revisited: Through the Looking Glass* contains the two working original screenplays for Oliver Stone's *JFK Revisited*; both the two-hour version, *Through the Looking Glass*, and the four-hour version, *Destiny Betrayed*. These films are the first documentaries to feature the work of the Assassination Records Review Board. The Assassination Records Review Board worked from 1994–98 releasing records that the government has classified in whole or in part on the assassination of President John F. Kennedy. They ended

up releasing about two million pages or approximately sixty thousand documents. They also pursued an investigation into the autopsy and medical evidence in the JFK case. Although their releases and discoveries were quite important to the evidentiary record, they received very little exposure in the mainstream media. They also released documents relating to Kennedy's foreign policy in both Cuba and Vietnam. In the former case, these were plans by the Pentagon to create a pretext to invade Cuba. In the latter, documents proved Kennedy was implementing a withdrawal plan from Vietnam. This book is unprecedented. It contains a

---

compendium of information originating from the widest range of authorities on the JFK case ever assembled. This includes luminaries from several fields: pathology, surgery, ballistics, criminal investigation, neurology, history, and journalism. Never before have people like forensic pathologist Cyril Wecht, criminalist Henry Lee, Professor James Galbraith, author David Talbot, journalist Jefferson Morley, intelligence analyst John Newman, Professor Robert Rakove, and more appeared in one book; never have this many illustrious authorities been interviewed about their views on the policies and the

assassination of President John F. Kennedy. The book also includes important witness interviews with Dr. Donald Miller about his colleague Malcolm Perry, Jim Gochenaur of the Church Committee, and Edwin McGehee of both the House Select Committee on Assassinations and the Jim Garrison investigation. The combination of this newly released information plus expert interviews changed the database and calculus of the JFK case. The scripts are included in this book, which were the backbone for Oliver Stone's films. It also includes important excerpts from the many interviews which did not make it into the final cuts of

the films. JFK Revisited will challenge everything you thought you know about the JFK assassination. [Destiny Betrayed](#) JFK Lancer Productions & Pub Interviews with witnesses and specialists including the last interview with Ted Sorensen, JFK's friend and speech writer. Holland includes interviews with assassination researchers Mark Lane, James DiEugenio, Lamar Waldron and crime scene experts Sherry Fiester and G. Paul Chambers. The book also includes first-person witness accounts from Dr. Robert McClelland, Parkland Hospital doctor; Dealey Plaza eyewitnesses James

Service Agent hand-  
picked by JFK.

**Cold Case Kennedy**

Feral House  
Reclaiming Parkland  
details the failed  
attempt of Tom  
Hanks and Gary Goet  
zman—cofounder of  
the production  
company Playtone—to  
make Vincent  
Bugliosi’s mammoth  
book about the  
Kennedy  
assassination,  
Reclaiming History,  
into a miniseries. It  
exposes the  
questionable origins  
of Reclaiming  
History in a dubious  
mock trial for cable  
television, in which  
Bugliosi played the  
role of an attorney  
prosecuting Lee  
Harvey Oswald for

murder, and how this  
formed the basis for  
the epic tome. Author  
James DiEugenio  
details the myriad  
problems with  
Bugliosi’s book, and  
explores the  
cooperation of the  
mainstream press in  
concealing these  
many faults during the  
publicity campaign  
for the book and how  
this lack of scrutiny  
led Hanks and  
Goetzman to purchase  
the film rights.  
DiEugenio then shows  
how the film  
eventually adapted  
from that book,  
entitled Parkland,  
does not even  
resemble Reclaiming  
History, though the  
script for that film  
displays the same  
imbalance that  
Reclaiming History  
does. Reclaiming  
Parkland also includes  
extended looks at the

little-known aspects of  
the lives and careers  
of Bugliosi, Hanks,  
and

Bugliosi’s three  
attempts at political  
office and a review of  
the Tate-LaBianca

today’s knowledge of  
that case. DiEugenio  
also looks at the  
connections between

**LBJ** Simon and Schuster  
The compelling, poignant true stories of victims of a notorious adoption scandal—some of whom learned the truth from Lisa Wingate's bestselling novel *Before We Were Yours* and were reunited with birth

family members as a result of its wide reach from the 1920s to 1950, Georgia Tann ran a black-market baby business at the Tennessee Children's Home Society in Memphis. She offered up more than 5,000 orphans tailored to the wish lists of eager parents—hiding the fact that many weren't orphans at all, but stolen sons and daughters of poor families, desperate single mothers, and women told in maternity wards that their babies had died. The publication of Lisa

Wingate's novel *Before We Were Yours* brought new awareness of Tann's lucrative career in child trafficking. Adoptees who knew little about their pasts gained insight into the startling facts behind their family histories. Encouraged by their contact with Wingate and award-winning journalist Judy Christie, who documented the stories of fifteen adoptees in this book, many determined Tann survivors set out to trace their roots and find their birth

families. Before and After includes moving and sometimes shocking accounts of the ways in which adoptees were separated from their first families. Often raised as only children, many have joyfully reunited with siblings in the final decades of their lives. Christie and Wingate tell of first meetings that are all the sweeter and more intense for time missed and of families from very different social backgrounds reaching out to embrace better-late-than-never brothers, sisters, and cousins. In a poignant culmination of art meeting life, many of the long-silent victims of the tragically corrupt system return to Memphis with the authors to reclaim their stories at a Tennessee Children's Home Society reunion . . . with extraordinary results. Advance praise for Before and After "In Before and After, authors Judy Christie and Lisa Wingate tackle the true stories behind Wingate's Before We Were Yours, of the orphans who survived the Tennessee Children's Home Society. With a journalist's keen eye and a novelist's elegant prose, Christie and Wingate weave together the stories that inspired Before We Were Yours with the lives that were changed as a result of reading the novel. Readers will be educated, enlightened, and enraptured by this important and flawlessly executed book."—Pam Jenoff, author of The Orphan's Tale and The Lost Girls

of Paris

**The Road to Dallas**

Dominantstar

A fascinating twist on the

assassination of JFK explores the life and times of Richard Nagell, a man who insisted that he had been hired to kill Oswald and then spent years in prison trying to prove that he was sane. Reprint.

JFK and the

Unspeakable Simon and Schuster

A recounting of the Bay of Pigs Crisis drawing upon the author's father's connection to the events as they played out.

*Let Justice Be Done*

Simon and Schuster

This volume features two books in one: Stanley J. Marks' *Murder Most Foul!* and Rob Couteau's biographical essay that surveys the life and work of this author of a forgotten classic. It also includes an in-depth examination of *Murder Most Foul!* that shows how and why it was so far ahead of its time and that places it in the context of other researchers, past and present. Couteau shares his detective work in unraveling the clues of Marks' Zelig-like biography, which touches on so many pivotal moments in 20th-century

cultural and political

history. This groundbreaking biography was also produced with the help of Marks' only child, Roberta Marks. JFK scholar Jim DiEugenio calls Couteau's work "important," "first-rate," and "a wonderful homage" to "one of the most important critics of the Warren Report ever ... and an unsung hero in the JFK case. Stanley Marks was rocket miles ahead of everyone. He really understood the big picture early. And not just on the JFK case." DiEugenio is the foremost scholar on the Kennedy assassination, author of *Destiny Betrayed:*

---

JFK, Cuba, and the Garrison Case, and scriptwriter for Oliver Stone's documentary, JFK: Destiny Betrayed (2020). With the release of Bob Dylan's ballad, "Murder Most Foul," which may have been influenced by Marks' book, interest in the author has been reawakened, largely as a result of Couteau's first article on Marks. More than fifty years after the publication of Murder Most Foul! the text still resonates with a prescient vision. A fearless author who was blacklisted by HUAC, Marks was

one of the first American researchers to draw a direct connection between the murders of JFK, MLK, and RFK. In 1973, the JFK Library contacted Marks with a request to purchase Murder Most Foul! In 1979, the House of Representatives Select Subcommittee on Assassinations cited five of Marks' assassination-related titles (including Murder Most Foul!) in its report. Marks published nineteen books on politics and religion, one of which received accolades from Arnold Toynbee and Herbert Marcuse. His first book, a

bestseller titled The Bear that Walks Like a Man: A Diplomatic and Military Analysis of Soviet Russia (1943), was reviewed in over thirty mainstream newspapers. **Jim Garrison** Simon and Schuster Delving into the complex and intertwined world of the CIA, Lee Harvey Oswald, and the assassination of President John F. Kennedy, this book takes on the angle of those who knew and associated with Kennedy's alleged assassin. Profiling George de Mohrenschildt, a petroleum geologist based in Dallas and Haiti, this examination explores the relationship

---

between Oswald, the CIA, and de Mohrenschildt. This book also investigates the CIA's involvement in the Haitian government during the 1960s, and seeks to connect each entity to each other in the jigsaw puzzle that is the Kennedy assassination.
