Castigated in his time for breaching such American conversational taboos as religion, sex, censorship, and racism, Lenny Bruce proved to be a pioneer in exposing hypocrisies, the impact of which still echoes on both sides of censorship controversies. This book and soon-to-be-released private tapes are sure to bring the extent of Bruce's influence into sharp focus. Photo insert.

"John Cleese's memoir is just about everything one would expect of its author—smart, thoughtful, provocative and above all funny. . . . A picture, if you will, of the artist as a young man."—The Washington Post
The legendary writer and performer of Monty

Python and Fawlty Towers fame takes readers on a grand tour of his ascent in the entertainment world John Cleese's huge comedic influence has stretched across generations; his sharp irreverent eye and the unique brand of physical comedy he perfected now seem written into comedy's DNA. In this rollicking memoir, Cleese recalls his humble beginnings in a sleepy English town, his early comedic days at Cambridge University (with future Python partner Graham Chapman), and the founding of the landmark comedy troupe that would propel him to worldwide renown. Cleese was

just days away from graduating Cambridge and setting off on a law career when he was visited by two BBC executives, who offered him a job writing comedy for radio. That fateful moment—and a near-simultaneous offer to take his university humor revue to London's famed West End—propelled him down a different path, cutting his teeth writing for stars like David Frost and Peter Sellers, and eventually joining the five other Pythons to pioneer a new kind of comedy that prized invention, silliness, and absurdity. Along the way, he found his first true love with

the actress Connie Booth and transformed himself from a reluctant performer to a world class actor and back again. Twisting and turning through surprising stories and hilarious digressions—with some brief pauses along the way that comprise a fascinating primer on what's funny and why—this story of a young man's journey to the pinnacle of comedy is a masterly performance by a master performer.

***Billy* Random House**

A portrait of the comedian, written by his wife, describes the forces that shaped his life and career, from his abuse-stricken and desperately poor

childhood in Glasgow to the social and theatrical movements of his youth, noting his stage, television, and movie credits. 35,000 first printing.

Yes Man Simon and Schuster

NEW YORK TIMES BESTSELLER • From the ingenious comic performer, founding member of Monty Python, and creator of Spamalot, comes an absurdly funny memoir of unparalleled wit and heartfelt candor We know him best for his unforgettable roles on Monty Python—from the Flying Circus to The Meaning of Life. Now, Eric Idle reflects on the meaning of his own life in this entertaining memoir that takes us on a remarkable journey from his childhood in an austere boarding school through his successful career in comedy, television,

theater, and film. Coming of age as a writer and comedian during the Sixties and Seventies, Eric stumbled into the crossroads of the cultural revolution and found himself rubbing shoulders with the likes of George Harrison, David Bowie, and Robin Williams, all of whom became dear lifelong friends. With anecdotes sprinkled throughout involving other close friends and luminaries such as Mike Nichols, Mick Jagger, Steve Martin, Paul Simon, Lorne Michaels, and many more, as well as John Cleese and the Pythons themselves, Eric captures a time of tremendous creative output with equal parts hilarity and heart. In Always Look on the Bright Side of Life, named for the song he wrote for Life of Brian and which has since become the number one song played at

funerals in the UK, he shares the highlights of his life and career with the kind of offbeat humor that has delighted audiences for five decades. The year 2019 marks the fiftieth anniversary of The Pythons, and Eric is marking the occasion with this hilarious memoir chock full of behind-the-scenes stories from a high-flying life featuring everyone from Princess Leia to Queen Elizabeth.

Untamed Vintage

The newest rising star of the celebrity world, Jodie Marsh found fame as part of the TV series *Essex Wives* and has established herself as a tabloid favorite. From her unhappy school days and her teenage nose job to her current

success, this is her uncensored story. It includes her very public feud with archrival Jordan and her legendary partying antics in her outrageous outfits. She recounts her days as a stripper and Page 3 model and dishes the sexy truth on her passionate affairs with a string of famous boyfriends. But Jodie has had her share of tragedy, and in her frank story she talks for the first time about the devastating effect that the murder of one of her closest friends had on her.

Forthright, sassy, determined, and sexy, this is the story of one of Britain's brightest stars.

Based on a True Story Bantam

A candid and brilliantly funny memoir... of how a tall, shy youth from Weston-super-Mare went on to become a self-confessed comedy legend. En route, John Cleese describes his nerve-racking first public appearance at St Peter's Preparatory School at the age of eight and five-sixths; his endlessly peripatetic home life with parents who seemed incapable of staying in any house for longer than six months; his first experiences in the world of work as a teacher who knew nothing about the subjects he was expected to teach; his hamster-owning days at Cambridge; and his first encounter with the man who would be his writing partner for over two decades, Graham Chapman. And so on to his dizzying ascent via scriptwriting for Peter Sellers, David Frost, Marty Feldman and others to the heights of Monty Python. Punctuated from time to time with John Cleese's thoughts on topics as diverse as the nature of comedy, the relative merits of cricket and waterskiing, and the importance of knowing the dates of all the kings and queens of England, this is a masterly performance by a former schoolmaster.

So, Anyway... Random House

“A game-changer in the world of biography.” —Mary Beard, *The Guardian*
Shortlisted for the Costa Biography Award
Born on the brink of the modern world, John Aubrey was witness to the great intellectual and political upheavals of the seventeenth century. He knew everyone of note in England—writers,

philosophers, mathematicians, doctors, astrologers, lawyers, statesmen—and wrote about them all, leaving behind a great gift to posterity: a compilation of biographical information titled *Brief Lives*, which in a strikingly modest and radical way invented the art of biography. Aubrey was born in Wiltshire, England, in 1626. The reign of Queen Elizabeth and, earlier, the dissolution of the monasteries were not too far distant in memory during his boyhood. He lived through England's Civil War, the execution of Charles I, the brief rule of Oliver Cromwell and his son, and the restoration of Charles II. Experiencing these constitutional crises and regime changes, Aubrey was impassioned by the preservation of traces of Ancient Britain, of English monuments, manor houses, monasteries, abbeys, and churches. He was a natural philosopher, an antiquary, a

book collector, and a chronicler of the world around him and of the lives of his friends, both men and women. His method of writing was characteristic of his manner: modest, self-deprecating, witty, and concerned above all with the collection of facts that would otherwise be lost to time. John Aubrey, *My Own Life* is an extraordinary book about the first modern biographer, which reimagines what biography can be. This intimate diary of Aubrey's days is composed of his own words, collected, collated, and enlarged upon by Ruth Scurr in an act of meticulous scholarship and daring imagination. Scurr's biography honors and echoes Aubrey's own innovations in the art of biography. Rather than subject his life to a conventional narrative, Scurr has collected the evidence—the remnants of a life from manuscripts, letters, and books—and

arranged it chronologically, modernizing words and spellings, and adding explanations when necessary, with sources provided in the extensive endnotes. Here are Aubrey 's intricate drawings of Stonehenge and the ancient Avebury stones; Aubrey on Charles I 's execution (" On this day, the King was executed. It was bitter cold, so he wore two heavy shirts, lest he should shiver and seem afraid "); and Aubrey on antiquity (" Matters of antiquity are like the light after sunset—clear at first—but by and by crepusculum—the twilight—comes—then to darkness "). From the darkness, Scurr has wrested a vibrant, intimate account of the life of an ingenious man.

A powerful memoir of a love that leads

two people to find a courageous way to part—and a woman 's struggle to go forward in the face of loss—that " enriches the reader 's life with urgency and gratitude " (The Washington Post) " A pleasure to read . . . Rarely has a memoir about death been so full of life. . . . Bloom has a talent for mixing the prosaic and profound, the slapstick and the serious. " —USA Today ONE OF THE BEST BOOKS OF THE YEAR: NPR
Amy Bloom began to notice changes in her husband, Brian: He retired early from a new job he loved; he withdrew from close friendships; he talked mostly about the past. Suddenly, it seemed there was a glass wall between them, and their long walks and talks

resolutionhq.com by guest

stopped. Their world was altered forever when an MRI confirmed what they could no longer ignore: Brian had Alzheimer ' s disease. Forced to confront the truth of the diagnosis and its impact on the future he had envisioned, Brian was determined to die on his feet, not live on his knees. Supporting each other in their last journey together, Brian and Amy made the unimaginably difficult and painful decision to go to Dignitas, an organization based in Switzerland that empowers a person to end their own life with dignity and peace. In this heartbreaking and surprising memoir, Bloom sheds light on a part of life we so often shy away from discussing—its ending. Written in Bloom ' s captivating,

insightful voice and with her trademark wit and candor, *In Love* is an unforgettable portrait of a beautiful marriage, and a boundary-defying love. Always Look on the Bright Side of Life Algonquin Books
The intimate and revealing memoir of the woman behind the bestselling *Cazalet Chronicles* and a fascinating window into the British literary world. One of Britain ' s most famous and beloved authors, Elizabeth Jane Howard ' s life was as rich, varied, and passionate as the characters in her novels. In her brutally honest, at times humorous, wholly captivating autobiography, the woman who felt she lived “ in the

slipstream of experience ” employs her prodigious skills as a novelist to chart the course of an eventful life—including three marriages, multiple affairs, and friendships with the literary giants of the day, among them Kenneth Tynan and Cecil Day-Lewis. Born in 1923 to bohemian parents within a large Edwardian family, Howard was raised in privilege and security. Educated at home from the age of eleven, she enjoyed short-lived careers as a model, an actress, and an editor before she found her *métier* as a novelist. She gained invaluable experience growing up in a time bookended by two world wars and

enjoyed a level of independence denied an earlier generation of British women. In her memoir, Howard writes with painful candor about her introduction to sex—her father abused her when she was fifteen—and her marriage to Peter Scott, son of the famed British explorer, along with her tempestuous third marriage to Kingsley Amis. She delves into complicated romantic and family relationships, inviting the reader to accompany her on her search for truth in life. Featuring cameos by William Faulkner, Rosamond Lehmann, Evelyn Waugh, Charlie Chaplin, Paul Scofield, and many

others, Slipstream finally illuminates a struggle common to women writers of every time and place: carving out a room of one's own. The Book of Delights Scholastic Inc. "Spend the day in bed" with Autobiography by Morrissey, whose new album *Low in High School* is out November 17th. Steven Patrick Morrissey was born in Manchester on May 22nd 1959. Singer-songwriter and co-founder of the Smiths (1982 – 1987), Morrissey has been a solo artist for twenty-six years, during which time he has had three number 1 albums in England in three different decades. Achieving eleven Top 10 albums

(plus nine with the Smiths), his songs have been recorded by David Bowie, Nancy Sinatra, Marianne Faithfull, Chrissie Hynde, Thelma Houston, My Chemical Romance and Christy Moore, amongst others. An animal protectionist, in 2006 Morrissey was voted the second greatest living British icon by viewers of the BBC, losing out to Sir David Attenborough. In 2007 Morrissey was voted the greatest northern male, past or present, in a nationwide newspaper poll. In 2012, Morrissey was awarded the Keys to the City of Tel-Aviv. It has been said "Most pop stars have to be dead before they reach the iconic

status that Morrissey has reached in illuminating a dark and brutal period his lifetime. ”

Born a Crime Simon and Schuster

#1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while

in South Africa’s history that must never be forgotten.” —Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award

- Named one of the best books of the year by The New York Times, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor

resolutionhg.com by guest

was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa ' s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the

story of that young man ' s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty.

His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

Families and how to Survive Them Open Road Media

Ronnie Barker is one of the best-loved and most celebrated entertainers in British television history. This book contains original contributions from people who have worked with and know him best. This biography contains interviews and personal illustrations from his own collection.

Keeping It Real Simon and Schuster
"This is a novel in the guise of the

tape-recorded recollections of a black woman who has lived 110 years, who has been both a slave and a witness to the black militancy of the 1960's. In this woman Ernest Gaines has created a legendary figure, a woman equipped to stand beside William Faulkner's Dilsey in *The Sound And The Fury*." Miss Jane Pittman, like Dilsey, has 'endured,' has seen almost everything and foretold the rest. Gaines' novel brings to mind other great works *The Odyssey* for the way his heroine's travels manage to summarize the American history of her race, and *Huckleberry Finn* for the clarity of her voice, for her rare

capacity to sort through the mess of years and things to find the one true story in it all." -- Geoffrey Wolff, Newsweek. "Stunning. I know of no black novel about the South that excludes quite the same refreshing mix of wit and wrath, imagination and indignation, misery and poetry. And I can recall no more memorable female character in Southern fiction since Lena of Faulkner's Light In August than Miss Jane Pittman." -- Josh Greenfeld, Life

Autobiography of a Corpse
Canongate Books

BESTSELLER • OVER TWO
MILLION COPIES SOLD! "Packed with incredible insight about what it means to be a woman today." —Reese Witherspoon (Reese 's Book Club Pick) In her most revealing and powerful memoir yet, the activist, speaker, bestselling author, and "patron saint of female empowerment" (People) explores the joy and peace we discover when we stop striving to meet others' expectations and start trusting the voice deep within us. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • The Washington Post • Cosmopolitan • Marie Claire • Bloomberg • Parade • "Untamed will liberate women—emotionally,

spiritually, and physically. It is phenomenal.” —Elizabeth Gilbert, author of *City of Girls* and *Eat Pray Love* This is how you find yourself. There is a voice of longing inside each woman. We strive so mightily to be good: good partners, daughters, mothers, employees, and friends. We hope all this striving will make us feel alive. Instead, it leaves us feeling weary, stuck, overwhelmed, and underwhelmed. We look at our lives and wonder: Wasn't it all supposed to be more beautiful than this? We quickly silence that question, telling ourselves to be grateful, hiding our discontent—even from ourselves. For many years, Glennon Doyle denied her own discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: There She Is. At first, Glennon assumed these words came to her from on high. But she soon realized they had come to her from within. This was her own voice—the one she had buried beneath decades of numbing addictions, cultural conditioning, and institutional allegiances. This was the voice of the girl she had been before the world told her who to be. Glennon decided to quit abandoning herself and to instead abandon the

world ' s expectations of her. She quit being good so she could be free. She quit pleasing and started living. Soulful and uproarious, forceful and tender, Untamed is both an intimate memoir and a galvanizing wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is the story of navigating divorce, forming a new blended family, and discovering that the brokenness or wholeness of a family depends not on its structure but on each member ' s ability to bring her full self to the table. And it is the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honor our anger and heartbreak, and unleash our truest, wildest instincts so that we become women who can finally look at ourselves and say: There She Is. Untamed shows us how to be brave. As Glennon insists: The braver we are, the luckier we get.

The legendary comedian, actor, and writer of Monty Python, Fawlty Towers, and A Fish Called Wanda fame shares his key ideas about creativity: that it's a learnable, improvable skill. "Many people have written about creativity, but although they were very, very clever, they weren't actually creative. I like to think I'm writing about it from the inside." —John Cleese You might think that creativity is some mysterious, rare gift—one that only a few possess. But you'd be wrong. As John

Cleese shows in this short, practical, and often amusing guide, creativity is a skill that anyone can acquire. Drawing on his lifelong experience as a writer, Cleese shares his insights into the nature of creativity and offers advice on how to get your own inventive juices flowing. What do you need to do to get yourself in the right frame of mind? When do you know that you've come up with an idea that might be worth pursuing? What should you do if you think you've hit a brick wall? We can all be more creative. John Cleese shows us how.
