THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit.

Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize – winner Nadia Murad

“ The single most compelling personal account of the Holocaust ... remains astonishing and excruciating. ” —The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “ Secret Annex ” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant

cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Indian history? Who is Rana Kapoor and, more importantly, what role did he play in the rise and fall of YES Bank?. Furquan Moharkan takes you right to the start of Rana Kapoor's career as a banker, charting his meteoric rise, his mercurial personality, the lavish lifestyle and the unravelling of it all. Kapoor's story runs parallel with that of the fourth largest private bank in India. *Tales from the Big Eye* incorporates a young man's struggles as a professional detective within the ambit of the CBI in post-Independent India, when the profession was at its infancy. It provides glimpses into how a detective is born and how the nose for detection is sharpened over failures and successes. Significantly, this selection of a dozen tales is not all about accomplishments of a professional sleuth but provides insights into what makes the system tick or just stop ticking. There are tales of corruption, cheating, forgery and fraud, featuring well-known names, companies, departments and corporations of the Government of India, including how Prakash Tandon's State Trading Corporation and the Indira Gandhi 's office were sought to be compromised. Read about them from the sleuth who was involved in the investigations. No CBI account be complete without the notorious don, Dawood Ibrahim. He committed crimes with impunity and got away as he managed the criminal justice system. Three riveting stories tell it all while another looks into a future with the growing reach of the National Investigation Agency (NIA), with its veneer of having a federal character, which rounds off this book of exciting CBI tales.
