The untold story of how Japan became a cultural superpower through the fantastic inventions that captured—and transformed—the world's imagination. "A masterful book driven by deep research, new insights, and powerful storytelling."—W. David Marx, author of *Ametora: How Japan Saved American Style* Japan is the forge of the world's fantasies: karaoke and the Walkman, manga and anime, Pac-Man and Pokémon, online imageboards and emojis. But as Japan media veteran Matt Alt proves in this brilliant investigation, these novelties did more than entertain. They paved the way for our perplexing modern lives. In the 1970s and '80s, Japan seemed to exist in some near future, gliding on the superior technology of Sony and Toyota. Then a catastrophic 1990 stock-market crash ushered in the "lost decades" of deep recession and social dysfunction. The end of the boom should have plunged Japan into irrelevance, but that's precisely when its cultural clout soared—when, once again, Japan got to the future a little ahead of the rest of us. Hello Kitty, the Nintendo Entertainment System, and multimedia empires like Dragon Ball Z were more than marketing hits. Artfully packaged, dangerously cute, and dizzyingly fun, these products gave us new tools for coping with trying times. They also transformed us as we consumed them—connecting as well as isolating us in new ways, opening vistas of imagination and pathways to revolution. Through the stories of an indelible group of artists, geniuses, and oddballs, *Pure Invention* reveals how Japan's pop-media complex remade global culture.

Beirut is a Mediterranean destination driven by adrenaline, optimism and the energy of a populace who embrace high jinks - and it fulfils its status as capital with an urban panache that's unmistakably Lebanese. The Monocle Travel Guide to Beirut delves into this metropolis to explore the vivacious thrum of life and unpick its many and varied quirks. We'll lead you through a collage of cloud-scraping hotels, Ottoman-style palaces and golden age modernist apartments, and introduce you to small-scale fashion labels and smart shop-owners rethinking traditional handicrafts. We'll also direct you to our favoured tables, where you can feast on mezze and sip on a soothing glass of arak. And when you need a reprieve from the excitement of it all, hang your hat at one of the city's best examples of Lebanese hospitality, whether it be a five-star chain or a four-room family-run guesthouse.

Diary of an 8-Bit Warrior (Book 1 8-Bit Warrior series) Crown

"Toronto may boast one of the world's most famous skylines but beneath the iconic pinprick of the CN Tower lies a burgeoning city that has become one of North America's most intriguing and suprising urban centres. It has long offered a warm reception to those coming from afar and today this is evident in the diverse cultural landscape comprising everything from tango dance halls and Portuguese restaurants to Italian radio stations and Ukrainian churches. The Monocle Travel Guide to Toronto will help you experience the city's celebrated hospitality at the fullest; the dining spots offering ambitious menus and the cosiest bars and coffee shops. It shows you innovative ateliers, architects and fashion houses, the top venues to see the thriving arts and music scene and the most picturesque routes for an early-morning run." -- Back cover.

Cereal City Guide: London Die Gestalten Verlag-DGV

Based on Mr Hudson's identity, the book is featuring destinations for gays, but not necessarily gay destinations. It is about travelling in style for everyone who is looking for something different and special - no matter if men or women, travelling solo or as a couple. Mr Hudson Explores shows that every part of a trip is an incredible experience. The core content of the book will consist of 20 cities in the Northern Hemisphere and showcases the very best the destination has to offer. Each guide will give a general introduction to the city and, if applicable, its relevance for the gay community. It showcases various locations on culture and art, the most inspiring museum to visit, traditional and upcoming food places, best shopping experiences, music and nightlife: Where to go out, which bars do have the best drinks, and clubs you can have the most fun at the city's best parties and concerts. Depending on the location, day trips and activities can be included. Luxury accommodations and places to stay complete the range. The book will not just give descriptions of the places but also background information, telling the story of the owner, history or anecdotes.

The Monocle Travel Guide to Hong Kong Gestalten

The Monocle Guide to Good Business follows up on the success of The Monocle Guide to Better Living. The book offers multifaceted perspectives on the world of work today and in the future--from compelling business ideas to inspiring company cultures. Ever since the launch of Monocle in 2007 this highly successful global magazine and media brand has championed a clear and new take on the world of work It has encouraged its readers to start their own businesses, do the thing that makes them feel fulfilled (even if it means ditching a comfortable corporate salary), and find places to build their HQ that deliver a good quality of life too. The magazine's belief in making things (and making them well), using your hands, doing an apprenticeship, and keeping things small and tight has linked perfectly with a community of entrepreneurs who are determined to find their own way in the world --and know that this will allow them to run their lives in new and fresh ways. These developments are also expressed in the maker movement, new shared spaces, and unusual business schools. So it was a natural step for the magazine's team to create The Monocle Guide to Good Business. This guide is not your traditional business book, but it does give advice on how to go from clever fledgling idea to success story and introduces people with inspiring stories. The Monocle Guide to Good Business is also a picture-rich journey for anyone who runs a company, wants to run a company, or wishes their boss had some new ideas It will even tell you why you need an office dog. From the best business neighborhoods to the sturdiest desks, this book will have you planning a new career --or at least fixing your office. It's a book that should be thumbed and used. It's a manual and a manifesto, a guide and a good read.

Family Adventures Abrams

Which cities offer the best quality of life? How do you build a good school? How do you run a city? Who makes the best coffee? And how do you start your own inspirational business? With chapters on the city, culture, travel, food, and work, the book also provides answers to some key questions. Works as a guide but also includes essays that explore what makes a great city, how to make a home and why culture is good for you

China's Evolving Military Strategy Hardie Grant

Tokyo Maze - 42 Walks is no ordinary travel guide. The author is no stranger to Japan either, having spent over 25 years visiting the country as a student, on work assignments and as a writer. He even lived in Tokyo for five years. Alongside all the main attractions, this guide takes you to places which don't get a mention elsewhere. The information included in the guide is fully up to date. He returned from his most recent in-depth research trip in January 2019. Inside the guide: - 42 complete walking tours to 500 sights in and around Tokyo. - Each itinerary begins and ends at a railway or subway station. - Recommend lunch-break and coffee-stop for each walk. - 48 area maps reliably steer the visitor through the maze of Tokyo streets. - 108 photos offer first impressions. - Over 100 insider tips aid readers in their pre-trip preparations and during their stay. - 350 bookmarks enable travellers to access additional information on the Internet. - A calendar shows at a glance which festivals are taking place at any given time. - Personal Top 10 tips on architecture, observation points, parks and gardens, shopping streets and malls, boutiques, hotels, restaurants, fine arts and other museums, showrooms, theatres, temples and shrines. - Online maps are available for half of the tours, featuring additional tips on accommodation, shopping, and food and drink. Regardless of whether you come to Japan on a package holiday or under your own steam or if you're even planning to live in Tokyo for a while, this guide will enrich your stay. Please note: a conscious decision was made to print this guide in black and white in order to provide you with a wealth of detailed and up-to-the-minute information at a low price. If colour photographs are a priority, you should opt for the e-book version.

Hello Sandwich Japan Die Gestalten Verlag-DGV

What characteristics and values define a country? Which countries are particularly successful in terms of education, economics, or culture? In this book, Monocle provides a global perspective on the distinct qualities of nations. Monocle's books with Gestalten have shown you how to build a better life, business, and home. But now Monocle raises the bar: how do you run a great country? They are not talking about might, muscle, or nationalism --although you need a bit of a swagger every now and then. They are talking about a country that feels like a cohesive community, knows what to value, and goes out into the world to gently get its way with soft power, fine ambassadors, and compelling cultural offerings. At home, this country celebrates good education, well-made institutions, and its own people and their skills. How to Run a Nation: A Monocle Guide is a thought-provoking primer that informs and inspires. The best ideas don't need to be invented --they need to be found and copied. Let Monocle be your guide.

Madrid Hardie Grant Publishing

Roughly once every generation, a powerful, highly influential organization within the Chinese People's Liberation Army releases a new edition of the Science of Military Strategy (SMS), a comprehensive and authoritative study which details the strategic approach that the Chinese military will take in the coming years in response to the threats and challenges facing China. The recent release of a new edition of SMS signals the potential for dramatic shifts in the PLA's approach to a number of strategic

questions, but the book remains underutilized by many Western China analysts due to the lack of both an English translation and expert analysis to place these changes into context. *China's Evolving Military Strategy* aims to bring knowledge of these important developments to a mass audience of China watchers, policymakers, and the broader foreign policy community by providing a sector-by-sector analysis of changes in the PLA's thinking and approach from the previous edition of SMS to the present. Each chapter addresses the implications for a different portion of the Chinese military, ranging from the air, sea, and space domains to cyberspace and electromagnetic warfare, and each is written by one of the world's foremost experts on that subsection of China's military development. *China's Evolving Military Strategy* will serve as the cornerstone reference for a generation to come on one of China's most important declarations of its military-strategic goals and intentions.

Tokyo Lonely Planet

The New York Times Bestseller The brilliant intellect and candor of Anthony Bourdain is on full display in this collection of interviews from throughout his remarkable career, with an introduction from The New Yorker's Helen Rosner. Anthony Bourdain always downplayed his skills as a chef (many disagreed). But despite his modesty, one thing even he agreed with was that he was a born raconteur—as he makes clear in this collection of sparkling conversations. His wit, passion, and deep intelligence shine through all manner of discussion here, from heart-to-hearts with bloggers, to on-stage talks before massive crowds, to intense interviews with major television programs. Without fail, Bourdain is always blisteringly honest—such as when he talks about his battles with addiction, or when detailing his thoughts on restaurant critics. He regularly dispenses arresting insight about how what's on your plate reveals much of history and politics. And perhaps best of all, the heartfelt empathy he developed travelling the world for his TV shows is always in the fore, as these talks make the “Hemingway of gastronomy,” as chef Marco Pierre White called him, live again.

Mr Hudson Explores Die Gestalten Verlag-DGV

Brussels may be the heart of the EU but unassuming Antwerp has long been one of Europe's most prosperous ports. Join us as we drop anchor at both cosmopolitan hubs - and dip in and out of a few of Belgium's smaller, canal-laced cities in between. It's a boon and burden to Belgium that Brussels is the capital of both the country and the rest of Europe. There are many benefits to hosting this lofty seat of power but the city can also fall victim to the associated red tape. An hour away by train, Antwerp is a more relaxed affair, where the creative and cultural scenes almost outshine the city's famous diamonds. For this travel guide we've toured both destinations and found plenty of gems throughout.

Sailing the Seas Editions Jonglez

From short sailing trips with friends to longer cruises along coastlines or across the oceans, this book celebrates the nautical way of life. Since the dawn of time, exploring the world by boat has been seen as the pinnacle of freedom. And what may often have seemed an impossible dream is now within reach, thanks to businesses offering boats for hire and specialist companies organizing trips that give people the opportunity to live that dream for a few weeks. *Sailing the Seas* will take readers on a series of adventures across the globe, from the coast of the US down to the Caribbean, through classic Mediterranean voyages and of trips in far-flung locations such as Thailand and French Polynesia. Presenting a fresh, younger side of sailing, this volume reveals the sights, sounds, tastes, and experiences that can be had on board a boat.

The Monocle Travel Guide to Brussels and Antwerp Die Gestalten Verlag-DGV

A celebration of the endlessly fascinating and culturally rich country of Japan, this book from the Monocle team is packed with insights and fully illustrated with stunning photography. Monocle's latest book is an ardent paean to Japan, covering everything from design, architecture, and culture to food, fashion, and current affairs. Since it launched in 2007, Monocle has had deep roots in Japan. From day one, the magazine has maintained a Tokyo bureau, which today also encompasses a Monocle shop and radio studio. Over the past decade, the magazine and its team have continued to build upon their appreciation for and understanding of the nation of Japan. Monocle's stories have covered everything from a live journey on the emperor's jet and the tastiest places to eat in Kagoshima to the fashion designers challenging conventions and the businesses with remarkable stories untold outside Japan. The Monocle Book of Japan reveals the best of the country in the run-up to the 2021 Olympics. Complete with striking photography and captivating essays, this volume showcases some of Japan's most intriguing splendors.
